Lonely Planet Discover Thailand (Travel Guide)

Synopsis

Lonely Planet: The world's leading travel guide publisher Lonely Planet Discover Thailand is your passport to Thailand's top sights and most authentic experiences. Revel in the neon and noise of Bangkok; hike to a hill-tribe village in mountainous Chiang Rai; or plan the ultimate beach escape on photogenic Ko Phi-Phi. Offering visually-inspiring content along with the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you, this photo-rich, user-friendly guide makes planning fun and easy. Discover the best of Thailand and begin your journey now!

Inside Lonely Planet Discover Thailand: In-depth coverage of the destination's must-see sights along with hidden gems that most guidebooks miss to get you to the heart of a place Intuitively organized with essential information at your fingertips Eye-catching full-colour design and easy-to-use layout with maps and images throughout Annotated images that bring a destination to life Practical planning and transport tools including a fold-out map (included in print version) that gives instant access to must-see sights to help you navigate as you plot out your itinerary Short and extended itineraries to help you tailor your trip to your personal needs and interests to make the most of your time on the road Insider tips and insights to save time and money, avoid crowds and trouble spots, and to get to know the destination like a local Honest recommendations for all budgets Cultural insights and background information to put top sights and experiences in context and to give you a richer, more rewarding travel experience (includes history, culture, customs, religion, arts, architecture, food, and environment) Free, convenient pull-out Bangkok map (included in print version), plus over 40 colour maps Covers Bangkok, Ayuthaya, Chiang Mai, Chang Rai, Sukhothai, Nong Khai, Hua Hin, Ko Samui, Ko Pha-Ngan, Phuket, Railay, Ko Phi-Phi and more

The Perfect Choice: Lonely Planet's Discover Thailand, our easy-to-use, expertly curated guide, is filled with inspiring and colourful photos and focuses on Thailand's most popular attractions and authentic experiences for those looking for the best of the best and have minimal time for planning. Looking for a comprehensive guide that recommends both popular and offbeat experiences, and extensively covers all the countries have to offer? Check out Lonely Planet Thailand guide. Looking for a guide for Bangkok? Check out Lonely Planet Pocket Bangkok, a handy-sized guide focused on the can't-miss sights for a quick trip.

About Lonely Planet: Since 1973, Lonely Planet has become the world's leading travel media company with guidebooks to every destination, an award-winning website, mobile and digital travel products, and a dedicated traveller community. Lonely Planet covers must-see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves. TripAdvisor Travelers' Choice Awards 2012, 2013, 2014, 2015, and 2016 winner in Favorite Travel

Guide category 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia)

Customer Reviews

I usually love the Lonely Planet "Discover" series books, but this one truly missed the mark. The main map in the front of the book isn't broken down by sections/colors like other Discover books, and the very few suggested itineraries are a disappointment. These are two huge reasons why I buy these books in the first place. My other problem with this book is the information provided for transportation between cities. Yes, it gives some suggestions, but I still feel a bit lost. There is some useful information in there for sure, but I will most certainly need additional resources before booking my trip. I may buy the previous Discover Thailand version of this book in hopes that most of it isn't outdated and that it has better suggestions.

I found this book extremely easy to use and it had excellent suggestions. There are multiple maps throughout and the book is divided into city. It also offers suggestions for different trip ideas depending on the length you are able to go. These suggestions are both for an entire trip to Thailand, as well as by each city in Thailand.

Very thorough and contains a lot of very helpful information.

Can,t believe this is genuine, have been buying these for past 30 years this is worst ever, way below Lonely Planet standards. Waste of money.

Arrived in great condition and quickly. A very detailed full color book with tons of information. We prefer the Lonely Planet "Discover" books to practically any other travel references.

Seems thorough, but the print is very tiny. Hard to read - difficult to get past this challenge and into the actual content. I would love to see a slightly larger print of this. Doesn't need to be large font, but not such smallprint as to make it a challenge to read - even with reading glasses on. I will not buy another Lonely Planet guide for this reason.
