Bunny Mellon: The Life Of An American Style Legend

Synopsis

A new biography of Bunny Mellon, the style icon and American aristocrat who designed the White House Rose Garden for her friend JFK and served as a living witness to 20th Century American history, operating in the high-level arenas of politics, diplomacy, art and fashion. Bunny Mellon, who died in 2014 at age 103, was press-shy during her lifetime. With the co-operation of Bunny Mellon's family, author Meryl Gordon received access to thousands of pages of her letters, diaries and appointment calendars and has interviewed more than 175 people to capture the spirit of this talented American original.

Customer Reviews

"Jacqueline Kennedy looked up to her socially. President Kennedy counted on her good taste to design the Rose Garden. Rachel 'Bunny' Mellon lived in a world ardently protected by discreet guards, long driveways, and noble family retainers. Thanks to Meryl Gordon we get past them." •Chris Matthews, anchor, MSNBC's Hardball, and author of Jack Kennedy: Elusive Hero
"With an eye for telling detail balanced by nuanced understanding, Meryl Gordon explores Bunny Mellon's impeccably designed homes and gardens as well as the marital deceptions, family tragedies, intense friendships, and political intrigues. A tale of surprising creativity and resilience." •Sally Bedell Smith, author of Prince Charles: The Passions and Paradoxes of an Improbable Life

Meryl Gordon is the author of the New York Times bestselling Mrs. Astor Regrets and Phantom of Fifth Avenue, a Wall Street Journal bestseller. She is an award-winning journalist and a regular contributor to Vanity Fair. She is on the graduate journalism faculty at New York University's Arthur L. Carter Journalism Institute. She is considered an expert on "elder abuse" and has appeared on NPR, CNN and other outlets whenever there is a high-profile case.
