Georgia Cooking In An Oklahoma Kitchen: Recipes From My Family To Yours

Synopsis

She's adored by fans as one of country music's top stars, but among family and friends, Trisha Yearwood is best known for another talent: cooking. From her humble roots in Georgia to her triumphant recording years in Nashville and a fulfilling married life with husband Garth Brooks in Oklahoma, Trisha has always enjoyed feeding those she loves. In *Georgia Cooking in an Oklahoma Kitchen*, she dishes up a collection of more than 120 of her go-to recipes in a tribute to both home-grown cooking and family traditions. Trisha believes a recipe always tastes better when served with a story. Here, she teams up with her mother and sister to share their family's best-loved recipes, charming memories, and personal anecdotes. Along the way, you'll discover comfort cooking with a contemporary twist that you'll want at the heart of your own table:

- Gwen's Fried Chicken with Milk Gravy
- Barbecued Pork
- Black Bean Lasagna
- Skillet Almond Shortbread
- Blackberry Cobbler

And much, much more. In addition to recipes for inviting soups, hearty salads, home-style entrees, colorful side dishes, and irresistible desserts, Trisha shares practical advice, time-saving tips, and creative ingredient substitutions to accommodate all tastes and dietary needs. Best of all, this unpretentious food is easy to put together, satisfies even the biggest country appetites, and tastes like home.

Customer Reviews

Grammy Award-winning country singer Trisha Yearwood throws her hat into the celebrity cookbook ring with this cheerful if uninspired collection of home-style Southern recipes. Among family and friends, Yearwood is known for her cooking, she writes, and a foreword by her husband and fellow singer, Garth Brooks, explains that Yearwood's secret is that she cooks with love, a technique not fully explored in this book. Aimed at the kitchen beginner, the book presents a list of necessary equipment and hints on substitutions, like making confectioner's sugar from granulated sugar, and is sprinkled throughout with helpful notes from Yearwood and her mother and sister—both of whom are co-writers. International stardom clearly hasn't dampened Yearwood's enthusiasm for down-home treats like Pimento Cheese Spread, Hashbrown Casserole, and Cranberry Salad with Cool Whip, Cream Cheese and Gelatin. Her family members make frequent appearances in the many color photographs and in the form of favorite dishes like Jack's Brunswick Stew and Gwen's Fried Chicken with Milk Gravy. Yearwood is an advocate for no-fuss, simple cooking with plenty of supermarket shortcuts, and this volume will most appeal to fans who want to get a little closer to Yearwood and Brooks (like a chance to recreate the celebs' wedding cake at home). Trisha Yearwood is a three-time Grammy Award-winning country music star and host of the Emmy Award-winning Food Network show *Trisha's Southern Kitchen*. She is also the author of the bestselling cookbook *Home Cooking with Trisha Yearwood*.

The content is great. Love the recipes and stories. Don't like the book itself...too stiff and binding is too tight, won't lay open in fact, forced to hold open with both hands just to read! Pages are thick, shiny and just not made like you want a cookbook that you actually plan to use! Ordered both her cookbooks together from but would probably not have bought them had I saw them in a book store.

this is a down home everyday cook book. I love every thing that I have prepared from this book . As a matter of fact I have already picked out the next two books that these wonderful ladies have written. I agree that there is no extras that you do not have in your home....mainly salt and pepper , everyday things not new spices or things that you will never use again. If you love down home cooking you will love this cook book.

Sorry, but I've tried a few recipes from this book, and none were especially good. This last one, the pineapple upside down cake, was like the third strike, third out. It's the worst pineapple upside down cake I've ever made, dry cake, light on the good caramelly stuff; I should have known better when I read the recipe. Oh, well, didn't need the calories anyway. This book's going into my "donate" pile. It's a PRETTY book, I'll give it that.

Oh how I love Trish Yearwood. I'm not going to lie, I bought this because I love her music. I also bought it because I am from Oklahoma and my husband is from Georgia so the title really hit home with me. But this is such a fantastic cookbook! The recipes are delicious, simple, and well rounded. There is something for everyone in this book! I love that she includes stories and pictures from her family and what makes these recipes special to her. This is in heavy rotation in my kitchen.

My wife asked for this cookbook, and it is wonderful. These recipes are all excellent. I do enjoy watching many of the cooking shows, however I'd never eat the foods that they prepare (yes, I'm a simple eater). In this book, ALL of the foods look delicious, and I'd love to try them. The first one that my wife made for this year's family Thanksgiving Dinner was the cheesecake. Oh, my Lord! It was delicious, and loved by everyone. Can't wait for my wife to make other recipes from the book.

love her style of cooking. easy to follow and taste great!

Have watched Trisha's cooking show on TV and began to notice that if you printed recipes from the online source that the recipes had been altered slightly "to improve consistency". I realized that I really wanted Trisha's REAL family recipes... So I decided to go to the source herself and bought her book!! It's just filled with really really good old fashioned home style family recipes that are easy to make and full of flavor. In general the book is a 'good read' also! I just loved the little personal notes Trisha and her family have added telling you about the recipe and the helpful little 'tips' included too.

Very nice selection of down home authentic Southern Dishes from the Yearwood's family favorites. Beautifully photographed and well written directions as are all Ms Yearwood's books.
