## Customer Reviews

"With limited resources and an increase in short term assignees, the Living Abroad International Business Traveler website is an important tool we provide our assignees. It provides information they can use preparing for their assignment, as well as on-the-ground information. All employees benefit from the valuable information Living Abroad provides."- Tricia Danielsen, Director, Global Mobility

"By aggregating hard-to-find information and insights that can't be sourced elsewhere, Living Abroad saves assignees countless hours of unproductive frustration... time better spent contributing to the bottom line, or other key performance indicators."- Andrew J. Kittell, Director, Corporate Relations

"We use the Living Abroad International Relocation Center as a primary resource for our international assignees. Having such a current and complete site for all of the locations where we do business lets us focus on the company information that only we can provide."- Global Mobility Director, Top Oil & Gas Producer
