Toronto's Many Faces

Synopsis

Toronto is truly a city of communities. Designed for tourists and for residents, Toronto's Many Faces is the one and only guide to the multicultural character of the city, featuring profiles of more than 60 ethnic communities, including local histories, festivals, food, and art. The book identifies each community - where its people come from, why, when, and where they settled in Toronto. The contribution of each community is also traced, with biographical notes on prominent people whose achievements have been extraordinary. Monuments, memorials, theatres, museums, cultural centres, and restaurants are identified, while detailed maps and photographs of festival events help bring the city's varied communities to life. Toronto's Many Faces is a guide for tourists, a sourcebook for newcomers, a directory for businesses and organizations, and a passport for Torontonians to the many cultures that exist at their doorsteps.

Index --This text refers to an out of print or unavailable edition of this title.

Toronto is truly a city of communities, and this is the only guide to the city's multicultural character, featuring profiles of more than 60 ethnic communities, including local histories, food, and art.

Monuments, museums, and restaurants are identified, while maps and photographs of festival events help bring the city's varied communities to life.

I like to read and reread this book all the time. I think this book is extremely fun and very interesting
