Who In The World Was The Unready King?: The Story Of Ethelred (Who In The World)

Synopsis

Discover the intriguing story of Ethelred the Unready in this junior-level biography from Peace Hill Press. Ethelred's mother stood behind him. The archbishop smeared holy oil on Ethelred's shoulders and hands. He gave Ethelred a heavy sword and placed a gold crown on his head. The crown was too big—it fell over his eyes, and Ethelred almost dropped the sword on the archbishop's foot. How did Ethelred become king when he was only ten years old? Outstanding illustrations from Jed Mickle complement the fabulous story, giving second-grade readers insight into the life of this influential figure. About the series: The classical curriculum introduces even the youngest student to the pleasures of true learning. Elementary students learn history not through predigested textbooks with multiple-choice answers, but through reading the stories of history. Unfortunately, biographies of great men and women of the past are almost all written for older students, limiting the ability of young students to explore history through reading. Libraries are crammed with biographies written for high school students and adults while beginning readers are provided with a shelf full of junior-level books about football players, NASCAR drivers, and movie stars. Now, Peace Hill Press puts real history back into the grasp of the youngest historians with the *Who in the World Biography Series*. The first entries in the series provide young readers and their parents and teachers with biographies of great men and women of the Middle Ages. Designed to be used as part of *The Story of the World* curriculum, these biographies give beginning historians in grades 2–4 a chance to explore beyond the textbook. An audio version is also available separately.

Customer Reviews

Ethelred the Unready was just 10-years-old when he was crowned king of England. Over the course of his reign, he dealt with bad advisors, boasting cowards, and Vikings. Who in the World Was The Unready King? tells his story to children. It's written in a very engaging way and includes an author's note about what was made up (dreams and thoughts) and what wasn't (pretty much everything else) and where our information about Ethelred comes from. This is an excellent book for elementary age children who are studying medieval England or Vikings.

This series is great. We have several of them and have enjoyed each one.

My children and I all enjoyed this book. We learned a lot about Ethelred and the history of Britain in that time period. The illustrations were well-done, and the story held our interest. I also appreciated the resources and references at the back.

I bought this book because Ethelred the Unready is an ancestor of mine and I didn't know much about him. I plan on passing this book to my grandchildren so they can be knowledgeable of one of their direct line "great-grandfathers".
