The Callipygian Grimoire: Discordian Activity & Spell Book

Synopsis

HAIL ERIS! ALL HAIL DISCORDIA! Did you know that God is crazy? And a girl? If not, you should probably go read the Principia Discordia, or, How I Found The Goddess and What I Did to Her When I Found Her. Otherwise, this book won't make much sense to you. The Callipygian Grimoire contains ancient Discordian spells like "The War Song of Thule" and "The Assmonkey Curse," along with parables, mystical wisdom, and answers to questions such as "are middle managers real?" and "where do all these 23s come from, man?" Plus fun activities like mazes, word searches, and coloring pages to pass the time if you get bored on your journey to enlightenment!

All hail bobs

Kind of a weak effort. At least it's cheap.

Frivolous .Not worth paper it was printed on.Bad humor .No magick,no sigils just poor humor.

When I met The Callipygian Grimoire on [popular dating app], I thought I had finally struck gold. (Whether that be 24-carat or Acapulco, I shall leave to the reader.) I suggested we meet in a safe, public location. I never the chivaunist, I and that evening I waited nervously at a sidewalk table of a local hipster cafe. Was this it? Would The Callipygian Grimoire arrive, and make all my dreams come true? All this fantasizing about arriving and coming did nothing for my caffeine-jangled nerves. Finally, I looked up from the sloppily crafted leaf pattern in the froth of my latest cappuccino, and there before me was The Callipygian Grimoire. At first, I was awestruck by the unexpected beauty, but the longer my eye lingered, the more I realized The Callipygian Grimoire wasn't beautiful... it was too unusual for that. Too unearthly. I was surprised when I heard my cappuccino cup shattering on the sidewalk. How had that happened? As an astute coffee snob, I never mistreat a mug, and I hadn't stood to greet The Callipygian Grimoire. No careless elbows or jumpy knees had jostled the cheap, wrought iron cafe table. I wanted to look at the mess, but I couldn't tear my eyes away from the new arrival, which I was now regarding not as beautiful and welcome, but as a bleeding hole in reality. The jagged edges of The Callipygian Grimoire danced and flickered, defining the edges of my vision, as my hands fluttered to grasp and possess. How had that happened? My hands remained in my lap; I could feel their cold weight atop my thighs, like yesterday's catch of mackerel. As if The Callipygian Grimoire were inside my mind and who is to say it was not? An image of a slender ocean fish erupted into my vision, conjured by the clumsy metaphor about my lap-hands. It wriggled, and I writhed. It flopped, and I gasped for air. It bit a trawling hook, and I was pulled out of my world to die in another. I strongly recommend against downloading [popular dating app], but The Callipygian Grimoire has changed my life forever.
