Customer Reviews

Each page is a giraffe in the same pose. The patterns on each page are different. I enjoyed trying different color schemes and it is relatively simple and relaxing. I would buy another book like it with a different animal.

Gifted my friend with this item-she really likes it. She is fond of giraffes.

this was a present for my daughter-in-law's birthday and she absolutely loved the book. She was very excited to receive it.

I was expecting a variety of pictures but this book only has pictures of single giraffes with different designs in the bodies.

Love the Giraffes to color

my friend loved her gift

Disappointed. Same picture throughout, just different designs.

Awesome...thanks for such a quick turnaround...
