Kill The Music

Synopsis

If everyone loves the world's hottest band, who's trying to destroy them? Most people would love to be Lorna Powell, travelling the globe with her brother and his mega-famous band. Then again, most people don't realise just how annoying four handsome rock stars can be. A new home and a new school seem like the start of a normal life - until Lorna overhears a chilling plot to silence the band forever. Soon Lorna is drawn into a frantic attempt to identify the killer before they strike. But it's not easy to track suspects around the world when she's got homework to do and secrets to protect. And when gorgeous lead singer Marius starts to act strangely, Lorna wonders if she's had the wrong idea all along . . .

Customer Reviews

Another classic but quirky whodunnit from Nansi Kunze! As with her previous offerings, *Mishaps* and *Dangerously Placed*, Kunze draws us effortlessly into a great young mystery. And, in classic Kunze style, she blends normal and thoroughly believable main characters with scenarios we know to be impossible but which she somehow makes seem thoroughly plausible - in this case, that of the

the world of an uber-successful rock band, their young charge (our heroine, Lorna Powell), and the villain who wants them dead. Kunze's style is easy to read and fun for both fans of Middle Grade and Young Adult fiction, as well as any who love even the darkest of cloak and dagger thrillers. There are twists and turns, fun, well-paced action, and of course, plenty of Kunze's trademark slightly self-effacing humour. Brilliant! Really, really looking forward to Ms Kunze's next book!
