Ludwig Van Beethoven Complete String Quartets

Synopsis

This single volume contains all the string quartets of Beethoven: the six quartets of Opus 18; the three quartets of Opus 59; Opera 74 and 95; and the late quartets, Opera 127, 130, 131, 132, and 135. The volume concludes with the Grosse Fuge, Opus 133. The music is photographically reprinted from the Breitkopf & Hörteel printed score, still considered the standard, authoritative edition for the Beethoven quartets. Noteheads in this edition have been reproduced in a size large enough to be read easily from a music stand or the keyboard, and margins and spaces between staves are conveniently wide to permit written notes, harmonic analysis, fingerings, and running measure numbers. This edition is practical for study, reference, enjoyment - virtually any use.

This edition is practical for study, reference, enjoyment - virtually any use. Unabridged republication of Serie 6 (Volumes 1 and 2): Quartette fär a Violinen, Bratsche und

Violoncell of Ludwig van Beethoven's Werke, originally published by Breitkopf & Hartel, Leipzig.
Original two volumes bound as one.

The triumphant genius of Ludwig van Beethoven (1770-1827) casts a long shadow over classical music - no other composer of the past two centuries has exercised an influence more profound than his. A product of the classicist generation, he was the first of the Romantics, and his exhilarating works remain undiminished in their powers of enchantment.

It is truly an exhilarating experience having these string quartets by Beethoven! They are certainly a pinnacle representative of the string quartet canon, and it is a pleasure to have them in my library! I'm hoping to add the Takacs Quartet recording with this score to my library, as well!

AWESOME accurate!! perfect. love it.

Bought at the suggestion of my son's violin teacher.

I thought this was going to be a pocket version and it is a great letter size one. Fabulous edition and an amazing prize.

Sublime music, well edited and presented.

Love it, although there are a few very hard to read notes here and there.

Every aspect of this purchase met my expectations.

This edition is great for the price, a MUST HAVE!
