Hidden Hawaii: Including Oahu, Maui, Kauai, Lanai, Molokai, And The Big Island

Synopsis

Ulysses Press's Hidden Guides are where vacations meet adventures. First, each book in the Hidden series reviews a destination's famed attractions. Then - and more importantly - it invites the reader to go further by exploring "hidden" spots that other guides overlook, including small inns and recommended restaurants. The guides feature places local residents enjoy, including beaches, parks, and non-touristy neighbourhoods and contain the author's favourite picks, three-day getaway itineraries, driving and walking tours, website and email addresses, maps that "zoom in" on each area, and plenty of photos and illustrations. Hidden Hawaii includes Oahu, Maui, Kauai, Lanai, Molokai, and the Big Island.

Book Information

Series: Hidden Travel

Paperback: 528 pages

Publisher: Ulysses Press; 25th anniversary edition (December 23, 2004)

Language: English

ISBN-10: 1569754241

ISBN-13: 978-1569754245

Product Dimensions: 7.9 x 5.1 x 1.2 inches

Shipping Weight: 15.2 ounces

Average Customer Review: 4.4 out of 5 stars 5 customer reviews

Customer Reviews

The Hidden guidebook series hot-peppers its pages with little arrows that point to a multitude of off-the-tourist-track sites.

Ray Riegert lives in Berkeley, California. --This text refers to an out of print or unavailable edition of this title.

Several people who lived in Hawaii recommended this book. It definitely has a better "local" flavor and advice regarding both major attractions lesser known places, facilities, etc. than all of the current Hawaii travel advice books. The one failure is that Hidden Hawaii is dated and needs to be

brought current. Wonderful sounding recommendations turn out to be closed or no longer available. Used together with Fodor's or something similar, it is still very useful.

Use the book many years ago and it took us to places we would have never found without it. I am returning to Hawaii soon and needed to see if there was anything I missed and your book will definitely help me with that information.

this book was the Best Buy by far has everything in there about every island maps and everything love this book

If you're looking for something and can't find it...It probably doesn't want or need to be found. Ghandi...or Pee Wee Herman. I wanted more pictures of the nude beaches.

This book was all right. The intro general-info pages are really detailed (info for traveling with kids, international visitors, senior travelers, transportation options, etc.). However, there are scant few photos -- just a couple of pages' worth stuck in the middle, and they're more landscape-oriented than tourism-oriented, so they really aren't relevant to a guidebook. There's some good information in there, but if you know what island you're going to already, then get a book about that particular island; otherwise you have to wade through a bunch of stuff that isn't relevant to your trip. For instance, I found the Hidden Maui guidebook to be much more helpful for the trip we'll be taking.
