## **LOVE CONQUERS ALL**

(Illustrated)

**Robert C. Benchley**

## Synopsis

This collection of essays is enhanced with numerous drawings to enrich the reader's experience. This is the second of fifteen collections of Benchley's humorous essays and book reviews. While some references are dated, Benchley's rapier-sharp wit will amuse and entertain you. This volume contains 63 gems from his early work, when his style was approaching its peak. Each of these pieces are newly illustrated with the funny drawings of Ron Leishman and other cartoonists.

## Customer Reviews

ANYTHING by Benchley is stellar! That being said, the book is a very old paperback, a bit fragile, but that's ok. I love that I can get great vintage books through !

I love Robert Benchley. That isn't the problem. I bought this some time ago unillustrated. The so-called illustrations are an insult to the eye.
