Customer Reviews

McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

Exactly as advertised, just what my son needed for class.

Cost effective resource for textbook purchase.

This publication is just okay. It's companion to the textbook, but the Glencoe format is not for me.

The sequencing is not methodical enough for my way of learning. Shipment and delivery were fine, though. Thanks.

They will use one verb-tense for the entire 10 question exercise rather than help to teach all of the tenses used for that verb. Repetitive and does not really augment the content of the corresponding textbook.

good

This book would have been good, but there is no "audio" to it - it didn't come with a CD. It is simply a writing workbook, and the second portion titled "audio" is unusable unless you have your own private french tutor to make it up and pretend to be your audio.

I love everything about this book, it was delivered on the second day I ordered it, and I could use it on the third day! The price was awesome! and the book was as nice as it was described! Thank you so much

This Bon voyage workbook does a great job of collaborating the hardback book for French. The additional audio feature is what makes it both unique and functional. Once ordered, the materials came quickly and without problem- the ease of ordering makes this a worthwhile resource!
