Spanish Edition Hardcover

Amazing and this is a must have

This book is in better condition than I expected, which was a nice surprise. The material itself is fast paced, but if you're familiar with the program and how it's laid out, you should be fine. This product definitely exceeds expectations.

School textbook Product meet expectations

Very Helpful.

Great condition

This book is helping my daughter with her Spanish and was much needed glad I brought this book for her

I ordered this book , not remembering we already had it at home. Key books not only fulfilled the order with speed , accuracy, and good pricing, but also gladly accepted my return, with ease, pleasantness, and accuracy! No hassles, but more than that. They have delighted me with their service!!! Please use them.

The book was in very good condition and arrived in just a few days. The book is a requirement for school, nice to find a copy in such good shape and at a very reasonable price. thanks
