Customer Reviews

The stimulus material is absolutely excellent. Congratulations to the authors on this. They have really sourced some up-to-date articles and topics to make the book have a very modern feel. This text is absolutely perfect for IB study. (Toby Seth, Godolphin and Latymer College) The use of pictures as stimuli for both written and oral activities is better than any other book I have seen. (Ana O'Brien, IB Spanish teacher, Florida)

Mike Thacker is an experienced teacher, author and A-level examiner. He was formerly a university teacher and Director of the Language Centre at the University of Surrey.

The units provide not only texts and questions that mirror the IB exam but also exercises and drills about grammatical points that can be studied within the unit. It will very useful.

Super useful for any IB Spanish student. The activities mirror the IB exam and it is a great resource for anyone prepping for the exam. As a teacher I would suggest it as a text for your classroom.

ok

Excellent book for the new DP curriculum. I have been using with my students. There are different levels of activities, for the weaker and stronger student. Includes listening activities as well.
