# Saint Francis And Brother Duck

## Synopsis

Fun and informative! See the life of Francis come to life as never before in this colorfully illustrated graphic novel based on the real-life events of the saint's life. Set in the mountains of Italy, Francis saves the life of an innocent duck, the only fictitious character in the story, and the two become each other's inspiration. As they grow in faith and friendship, Francis recognizes in Br. Duck everything that he desires in living the Gospel life: humility, poverty, and a childlike imagination. Readers of all ages will enjoy the humor as well as the ageless wisdom offered as the story of Francis's life is vividly told, scene-by-scene.

## Customer Reviews

St. Francis and Brother Duck is the beginning of a journey to the young reader's heart and soul. When I was fourteen years old I read my first biography on the life of St. Francis and it literally changed my life forever. In a world of materialistic thinking that begins with the youth, St. Francis and Brother Duck has the purpose of sharing with the youth a new perspective on the world, on faith, and on themselves. Enjoy!

A graphic novel adaptation of the real life of Francis of Assisi See Saint Francis come to life as never before in this colorful graphic novel set in the hilltowns of Italy. Francis saves the life of an

innocent duck, the only fictitious character in the story, and the two become each other's inspiration. As they grow in faith and friendship, Francis recognizes in Brother Duck everything that he desires in living the life of the gospel: humility, poverty and a childlike imagination. Readers of all ages will enjoy the humor and ageless wisdom of this famous story, vividly retold, scene-by-scene. "I didn't realize that St. Francis, the world's most popular saint, still needed any introductions--but Jay Stoeckl has pulled it off. What a beautiful telling this is of such a beautiful life! Highly recommended." --Jon Sweeney, author of "The St. Francis Prayer Book" and editor of "Francis of Assisi in His Own Words: The Essential Writings"

Excellent story, well written. Great graphics, and the paper and binding were top class.

My 6 son LOVES this book. He has read it repeatedly and is asking for more books like this.

Awesome NEW book and fun to read. Very explanatory with this odd couple friendship and their adventure of learning together. The artwork is superb.

All three of my boys (ages 3-11) enjoy this book. My oldest son wanted to gift it to another family, as well.

Great artwork and a great story. It is amazing that someone could do all of that artwork. I am buying another for a friend.

Bought for 2nd grade son--he loved it. Spent an hour after finishing it drawing pictures of St Francis, Clare and the duck. Excellent.

Great

sweet. Lots of color and comic format kids enjoy.
