"Crystal Muse is pure enchantment. It is written with grace, deep knowledge, and the kind of magic that comes only from years and years of experience trusting and working in the

unseen realms. I highly recommend this book to everyone who wants to live a more delightful and fulfilling life.

• Christiane Northrup, M.D., *New York Times* best-selling author of *Goddesses Never Age* “My connection with crystals began on a journey to a red rock on a spiritual vortex in Sedona, AZ. I now have a crystal altar in my home and place them around my yoga mat during practice. Each crystal is a gift of patience and self-love. In a chaotic time, *Crystal Muse* shares how connecting to the calm, grounding energy of crystals can help us engage with each other and ourselves.

• Lena Dunham, actress, writer, and filmmaker “Heather and Timmi offer up simple, powerful rituals that make it easy to tune in to the energy of the Universe on a daily basis. Their breakdowns demystify crystals and help you incorporate them into your everyday life for miraculous results.
