# Breakfast (Williams-Sonoma Collection N.Y.)

## Synopsis

Buttermilk waffles drizzled with melted butter and maple syrup, a warm omelet filled with melted cheese and seasonal vegetables, or a helping of perfectly crisp hash browns. These classic breakfast dishes are always delicious and provide plenty of energy for the day ahead. Williams-Sonoma Collection Breakfast offers more than 40 recipes, ranging from old favorites to fresh new ideas. Whether you are looking for a dish to prepare in advance and eat on a busy weekday, such as almond-currant scones or homemade granola, or a special treat to enjoy on a more leisurely weekend morning, such as blueberry pancakes or a savory frittata, this book has recipes to suit all tastes. And for special brunch gatherings, an entire chapter of original recipes—including sweet cherry and cheese blintzes as well as a hearty wild mushroom quiche—will help you plan an irresistible menu to share with family and friends. Vivid, full-color photos make it simple to choose which dishes to prepare, and photographic side notes give insight into the many ingredients and techniques used throughout the book, making Breakfast much more than just a fine collection of recipes. In addition, an informative basics section and glossary provide you with all you need to know to prepare the first—and most important—meal of the day. Eating a satisfying, well-balanced breakfast is undoubtedly the best way to begin any morning. Classic dishes such as omelets, buttermilk waffles, or old-fashioned oatmeal not only are delicious, but also give us the energy we need to make the most of the day. Williams-Sonoma Collection Breakfast offers more than 40 easy-to-follow recipes, including enduring favorites and inspiring new ideas. In these pages, you will find simple breakfasts ideal for busy weekday mornings as well as more elaborate dishes perfect for brunch entertaining. This beautifully photographed recipe collection is sure to become an essential addition to your kitchen bookshelf.

## Customer Reviews

In this installment of its popular cookbook series, Williams-Sonoma turns its attention to the most important meal of the day, providing foolproof recipes for breakfast favorites like Lacy Hash Browns and Cinnamon Rolls. The Eggs Benedict recipe cooks up a gorgeous high-fat treat, using egg yolks, whole eggs, and lots of butter. More virtuous, the Oatmeal with Dried Fruit and Brown Sugar is thick and filling, just slightly sweet, and requires only a few minutes in the kitchen. A perfect brunch-party dish, the Goat Cheese and Spanish Ham Soufflé would, with a salad on the side, also make for a sophisticated supper. Glossy glamour shots of eggs, bacon and pancakes round out the book, and are sure to tempt even those for whom the first meal of the day is usually nothing more than a cup of coffee. Brigit L. Binns is a food writer and recipe consultant based in southern California. She is the author of *Hors d'Oeuvre*, also in the Williams-Sonoma Collection, *Polenta*, the *Palm Cookbook*, and *Jody Maroni's Sausage Cookbook*. She is coauthor of *Cowboy Cocktails*, *Cuisine Naturelle*, and the *R&B;ckenwagner* and *Patina* restaurant cookbooks. A graduate of England's Tante Marie cooking school, she lived in Europe for 10 years, where she owned a catering business.

This series of William Sonoma cookbooks are just lovely, beautifully edited, awesome photos, and loaded with great recipes and helpful info. Makes a great gift!

I love this series of cookbooks. I own most of them and they are fantastic. The recipes are fantastic and I love that each recipe has a beautiful picture to accompany it. The recipes are written simply and are easy to follow, even when making some not so simple dishes! I own this Breakfast book and ordered another one to give to my employer for her birthday. She LOVED it! She made 2 of the recipes within a day of receiving it and I'll be making 2 dishes from this book this week. Can't wait to have brunch for dinner :)

If you are a fan of interesting breakfast ideas, look elsewhere. There is one wild mushroom quiche recipe that is very good, but the rest are quite simple and basic. The book assumes you have never

made pancakes before.

The book is fine I was looking for lighter innovative recipes (low carb, low fat but delicious in taste ). The recipes were traditional. Please know I thought there would be more of what I was looking for no fault of Chuck Williams and Williams -Sonoma.

I have several cookbooks but the Williams Sonoma series is a favorite because the layout is easy to use, a picture of the finished dish is provided, and a variety of menus is provided. I particularly like this series because the books are easy to handle and you are not overwhelmed by sifting through non-related topics. You read about "Breakfast", "Soup and Stew", "Roasting", etc. Just follow the directions and it turns out superb.

OK

I love these WS cookbooks and this one is no exception. Fantastic recipes! The huevos rancheros are now a weekend staple at my house, with him saying every time, "this is the greatest breakfast I've ever had." Can't beat that praise! Also the waffles and french toast are a big hit. And this book is so helpful with instructions I've mastered the art of eggs (frying, sunny side up) to everyone's liking. Informative and delicious!

I love this cookbook. ot has great recipes in it but is also good for decoration.
