Jean Smith is the author/editor of numerous successful books on Buddhism, including *365 Zen*, *A Beginner's Guide to Insight Meditation*, *Breath Sweeps Mind*, and *12 Steps on the Buddha's Path*. A longtime associate of the Insight Meditation Society, she is the head of the executive board of the Mountain Retreat Center, in Taos, New Mexico, where she lives.

We are using this book as the focus/theme for our Mindfulness Meditation class. It is very well written and easy to understand because Jean uses experiences and stories that pertain to our

Western culture. I would like to thank her for sharing her wisdom for the benefit of other living beings.

This author is very good at explaining meditation practice and Buddha in layman's terms. It is a book you can go back to and read over for reference as well.

Great book to get you started on your Buddhist path

Good teaching...highly advise
