Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I would rate myself as an advanced student of the viola and I sightread most of the selections with only a few passages to practice. The variety of selections was good, too. My only recommendation would be to listen to a few measures of each piece to get the tempo before attempting to play with the piano part.

Too advanced and does not have but 2 songs that I know and like, but do not want to PAY to return

it.
