Soul Symmetry: Raven Series, Book 3

Synopsis

War is coming. The veil between the living and the dead no longer exists. Evil is running rampant and the universe's symmetry balances on my fingertips. No big deal. Of course, nobody knows how or when the hallows will strike, or who among us is a traitor. Hordes of vengeful spirits are multiplying by the minute, closing ranks. Zane is poised to strike, but it's going to take more than his killer instincts, more than swords and shadows to vanquish the hallows. Stakes are higher than ever, yet I am determined to protect those I care about - to save the world. Restoring the veil isn't as easy as a snap of my fingers. Nothing worth fighting for ever is. Friendship and loyalties are tested to the limit, sacrifices of unimaginable proportions are made, but in the end, all that matters is whether I succeed or fail. Soul Symmetry is the highly anticipated conclusion in The Raven series. A YA paranormal romance full of love, betrayal, and an enthralling supernatural world that will leave you hungry for more.

Book Information

Audible Audio Edition

ASIN: B01KMKXBXU

Best Sellers Rank: #96 in Books > Audible Audiobooks > Children's Books > Fairytales & Folklore #2040 in Books > Audible Audiobooks > Children's Books > Fiction

Customer Reviews

I really liked the premise behind the entire series and I was completely caught up in the first two books in the series. As I finished Soul Symmetry I was left wanting more. More character development, more plot twists, a more intense epic battle, and sadly editing was an issue. Normally I can overlook some editing problems but in this case it just seemed to add to my overall feeling of meh. In the end everything just kind of felt rushed. Overall, I really loved Zane and Piper's characters and for the most part enjoyed the series. I've read other books from this author and will read her work again but in the end I found book 3 to be somewhat lacking.

Loved the quiriness in this book, well trilogy, between Zane and Piper. I absolutely adore characters that are written as life like in their mannerisms. I have read some books where the characters act too pretentious for their role. I am all about spunk! Yet again, this book was a nail biter, throwing curve balls, and making you scream out of confusion. But there was also an awesome love story and comedy. This whole series had all those characteristics.

This series is top notch. There were lots of things I didn't see coming, and the ending was perfect! JL Weill never disappoints! I would 100% recommend this series to anyone. All of the questions from the previous books were answered, relationships cemented, an epic battle... Pretty much everything you could ask for in a final installment! I'll be in a series hangover for sure!

YES YES YES absolutely loved this book. So glad that Zane finally got his head out of his ass. I would have liked to get to know T.J a little more and maybe have him become a reaper aswell. There are a few things left unanswered but I can get over it for now. My one star drop is due to the spelling errors there seem to be quite a few small mistakes throughout all of the books that really should have been picked up but it was not enough for me to want to stop reading.

Loved it! The perfect ending to this trilogy! I really enjoyed reading Piper and Zane's story! I even loved the secondary characters! This installment solved all the plot threads that were loose throughout the story. There were many twists I wasn't expecting. Five glittery stars for a great finale!

So I loved this series but I do have a major complaint... That it is over . This WAS an awesome series and I do not want it to end. The ending ties everything up in a picturesque HEA, which is always appreciated. With this type of book it really could carry on to further novels without getting old. So good.

This series was good. Honestly, I rarely pay for books. That 1st one has to grab me, and it did. I would have liked a bit more in the epilogue. What about TJ and Parker's mom? I really did enjoy Pipers snarkiness and spunk.

Perfect ending to this amazing series. Zane and piper and their super group of friends and family. Enemies aren't always enemies and friends aren't always friends
