CCCP COOK BOOK: True Stories Of Soviet Cuisine

Synopsis

As the Soviet Union struggled along the path to communism, food shortages were commonplace, and both Party authorities and Soviet citizens had to apply every ounce of ingenuity to maximize often-inadequate resources. The stories and recipes contained in the CCCP Cook Book reflect these turbulent times: from basic subsistence meals consumed by the average citizen (like okroshka, a cold soup made with the fermented beverage kvass) to extravagant banquets held by the political elite (suckling pig with buckwheat), with a scattering of classics (beef stroganoff) in between. Each recipe is introduced with a historical story or anecdote from the period, and illustrated using images sourced from original Soviet recipe books collected by the authors, food historians Olga and Pavel Syutkin. Many of the sometimes extraordinary-looking pictures depict dishes whose recipes used unobtainable ingredients, placing them firmly in the realm of "aspirational" fantasy for the average Soviet household. In their content and presentation, the recipes and illustrations act as windows into the cuisine and culture of the era. CCCP Cook Book offers an illustrated history of Soviet cuisine told through the stories and popular recipes from the period. The book contains 60 recipes from the Soviet period, including such delicacies as aspic, borscht, caviar and herring, by way of bird's milk cake and pelmeni.

Book Information

Hardcover: 192 pages

Publisher: Fuel Publishing (September 29, 2015)

Language: English

ISBN-10: 0993191118

ISBN-13: 978-0993191114

Product Dimensions: 4.9 x 0.9 x 8 inches

Customer Reviews

CCCP Cook Book is an amazing work of culinary history. The book as an object is a marvel...

It's my new "You Must Buy This Book" recommendation for my foodie friends. (Christina

Ward BoingBoing)From Russia with Mayonnaise (Pavel Syutkin NPR)Food for comrades. (The Guardian Gift Guide)If you think of the Soviet period in Russia as a culinary desert, a new book in English by the country's most prominent food historians, Olga and Pavel Syutkin, may change your mind (Michele A. Berdy The Moscow Times)Soviet food nostalgia has taken off in the last few years, as a post-Cold War generation grows up intrigued by a period which many older than them would rather forget. Soviet-style canteens like Kamchatka serve herring in a fur coat to queues of Moscow hipsters,Ã¸Â | Olga and Pavel SyutkinÃ¸Â -â.,¸s CCCP Cook Book continues the trend, serving up recipes of Soviet-era classics while delving into the stories behind the dishes to offer a cultural history of the USSR through its food (The Calvert Journal)Food shortages and limited access to staples like bread, milk, and fresh produce were commonplace in the Soviet Union in the 1950s and 1960s. Whenever rations are tight, creativity rules. Every day citizens were inspired to invent dishes that sustained them through long winters and hard economic times (Daniela Galarza Eater)

What a strange little cook book. The illustrations take the reader back to another day and age and the recipes, while not as good as those I grew up with, are still worth a try. The book is small and the binding is typical of the old Soviet method of binding. Speaking of small, the book is a lot smaller than one might expect for the price, but the contents are what it's about.

You want to cook Soviet Here is your chance to shine.

Terrific book, lots of great ideas. A rich selection from snacks, soups, main dishes and desserts. Quite easy to follow. Whereas some items would not be typically encountered here (roast pig, rabbit) the bulk of the material is available locally. Only disappointment I had no potato dishes. I think I'll try to make Kvass. Or how about Chicken Kiev? Or that old stand by Golubtsy.

A new meal a day! Good.

Highly entertaining-I purchased this book for my husband, a VERY Americanized Russian who grew up in Northern Siberia. He loved it and I found it equally fascinating. It is perfectly written, very kitchy and provides a very clear context for the Soviet mass-managed food movement. I learned so much! I don't know if I will make the recipes, but I intend to order many more copies for gifts. (hurry and print more!!!)

A very interesting, compact, oblique history of the Soviet Union told through food. You can see the illustrations want to show bounty, plenty, sufficiency, but at those exact points where all this stops, you can also see the creeping paucity. There are parallels to recognise in our own (UK) post-war food-coupon economy, but the images in this book are shaded by the extra knowledge of a planned economy that intentionally produced the epic tragedies of gulags and starvation. My favourite illustration is the one of the jar and two tins of fish, one invitingly open, all against a backdrop of trawler afloat on a choppy, freezing Baltic Sea.

This was a gift for my wife. She enjoyed it very much.

Great book with great stories alongside.
