# I Saw God: The True Story Of A Young Boy's Miraculous Return From Death

## Synopsis

Be honest - are you afraid to die? Most people are....Christians included. If that's you, read the astonishing true story of a young boy's deadly head-crushing injury and his three visits to Heaven....and your fears may vanish forever. Run over by a car at age five, Billy Anderson died three times prior to emergency surgery. Left in a vegetative coma after large portions of his damaged brain were removed, doctors gave him no hope to survive. But God had other plans - completely healing Billy only SIX days after his skull-shattering accident. Yet beyond the undeniably miraculous healing, little Billy was given a glimpse of heaven. Returning home just 13 days after his brush with death, Billy stunned his parents by telling them of his visits to heaven....The doctors fixed my head, but God made me well. I saw God...and Jesus is coming. Now, through Billy's extraordinary journey, we have the blessed opportunity to learn what it's like to leave your body at death, to experience the majesty of Heaven and the electrifying presence of Jesus. As told by Bill's brother Jim, I Saw God will take you on an unforgettable reading adventure - a comforting and inspiring revelation of God's mercy and grace... a story that will prepare you for eternity... a story that begs to be told.

When I started this book I was glad it wasn't longer because I was not able to put it down. I read the whole thing in one sitting. It was an inspiring story of God's miraculous intervention and the brief glimpse of Heaven given to a child. The results were dramatic, as the basically areligious family all converted to Christianity. It's an inspiring story and I bet you can't complete it dry-eyed.

This is a wonderful book that will take you on a journey to what heaven will be like. I highly recommend this book for anyone who wishes to understand more about the afterlife and the comforting facts that heaven is a real place and Jesus will one day be awaiting our return home. This book is very well written and easy to follow the journey of James Anderson and his brother. This is a must read.

This is an amazing book that will captivate you until the last word on the last page! It is a true story that shows God's love for us and proves that miracles still happen! Jim has done an excellent job and this book will uplift your spirits, restore your faith and move you a little closer to seeing heaven! Don't miss it! I recommend it to everyone!!

I purchased this book and devoured it in a couple hours! The story was so well written I felt as if I were back in time experiencing the story myself. The anticipation of what was going to happen next caused me to have a lump in my throat while I was fighting back tears. This book definitely restored my faith in human kindness and faith that GOD performs miracles everyday! Remarkable story by a very talented writer.

I lost my sister in September 2012. It helped me to know that we will meet again. She called out to my mom and brother. We lost our brother in 2011 and was so depressed and kept telling me it should have been her because she was the oldest child. Now I know my mom and brother was

there to help her into heaven. Thank you for account of what happened to you. It has helped me with my understanding of what happens after we pass.

The love of God is truly shown in this beautiful life changing story. I believe Jesus's love for Bill's family was the real reason Bill had to return to the world.

I really liked this book, it was very well written. It always encourages my heart to read a book about Heaven, because it will be my Heavenly home someday!!

Very good reading
