Demonic: How The Liberal Mob Is Endangering America

Synopsis

The demon is a mob, and the mob is demonic. The Democratic Party activates mobs, depends on mobs, coddles mobs, publicizes and celebrates mobs—it is the mob. Sweeping in its scope and relentless in its argument, *Demonic* explains the peculiarities of liberals as standard groupthink behavior. To understand mobs is to understand liberals. In her most provocative book to date, Ann Coulter argues that liberals exhibit all the psychological characteristics of a mob, for instance:

Liberal Groupthink: “The same mob mentality that leads otherwise law-abiding people to hurl rocks at cops also leads otherwise intelligent people to refuse to believe anything they haven’t heard on NPR.”

Liberal Schemes: “No matter how mad the plan is—Fraternalism, the New Soviet Man, the Master Race, the Great Leap Forward, the Cultural Revolution, Building a New Society, ObamaCare—a mob will believe it.”

Liberal Enemies: “Instead of counterrevolutionaries, liberals’ opponents are called haters, those who seek to divide us, tea baggers, and right-wing hate groups. Meanwhile, conservatives call liberals liberals—and that makes them testy.”

Liberal Justice: “In the world of the liberal, as in the world of Robespierre, there are no crimes, only criminals.”

Liberal Violence: “If Charles Manson’s followers hadn’t killed Roman Polanski’s wife, Sharon Tate, Clinton would have pardoned him, too, and he’d probably be teaching at Northwestern University.”

Citing the father of mob psychology, Gustave Le Bon, Coulter catalogs the Left’s mob behaviors: the creation of messiahs, the fear of scientific innovation, the mythmaking, the preference for images over words, the lack of morals, and the casual embrace of contradictory ideas. Coulter traces the history of the liberal mob to the French Revolution and Robespierre’s revolutionaries (delineating a clear distinction from America’s founding fathers), who simply proclaimed that they were exercising the “general will” before slaughtering their fellow citizens “for the good of mankind.” Similarly, as Coulter demonstrates, liberal mobs, from student radicals to white-trash racists to anti-war and pro-ObamaCare fanatics today, have consistently used violence to implement their idea of the “general will.” This is not the American tradition; it is the tradition of Stalin, of Hitler, of the guillotine—and the tradition of the American Left. As the heirs of the French Revolution, Democrats have a history that consists of pandering to mobs, time and again, while Republicans, heirs to the American Revolution, have regularly stood for peaceable order. Hoping to muddy this horrifying truth, liberals slanderously accuse conservatives of their own

crimes— assassination plots, conspiracy theorizing, political violence, embrace of the Ku Klux Klan. Coulter shows that the truth is the opposite: Political violence— mob violence— is always a Democratic affair. Surveying two centuries of mob movements, Coulter demonstrates that the mob is always destructive. And yet, she argues, beginning with the civil rights movement in the sixties, Americans have lost their natural, inherited aversion to mobs. Indeed, most Americans have no idea what they are even dealing with. Only by recognizing the mobs and their demonic nature can America begin to defend itself. From the Hardcover edition.

Customer Reviews

genuine Coulter

as listed

Ann Coulter is the best. When you say something that is true but some kind of people doesn't like usually it is a terrible situation....for them...

Love it

=)

All her books are easy to read, sometimes depressing, often funny

love her writing

Her historical juxtaposition of the stark differences between the French and American revolution are important for all Americans. You wonder why the French celebrate Bastille day.... you won't learn this in public school. I've never read a history of the French Revolution like this, it truly is an account of mob behavior. You'll also understand which political ideology has embraced the mob tactics for the past 100 years.
