The New Church Ladies: The Extremely Uptight World Of "Social Justice"

Synopsis

Hey, you! That's right •YOU! Do you constantly find yourself grievously offended by racism, sexism, homophobia, transphobia, Islamophobia, xenophobia, hatred, patriarchy, toxic masculinity, rape culture, and bigotry? When you look around, do you find nearly everything "unacceptable" and "problematic"? Do you take psychiatric medication to help you cope with all the world's injustice? Do you walk around wearing diapers on your heart all the time? Are you relentlessly seeking "safe spaces" to get away from all the "microaggressions" that life unfairly hurls at you? Do you cry when people say mean things? Do you classify anyone who disagrees with you as a "fascist," a "bigot," a "hater," a "white supremacist," and a "Nazi"? Do you believe that "hate speech" is different than "free speech"? Do you often mistake mere words for literal violence? Do you think that people should be beaten up, jailed, or even murdered for harboring or expressing "right-wing" thoughts? Have you ever chanted in public with a group of likeminded, politically motivated individuals? Do you think that anyone who disagrees with you should lose their job? Have you ever told anyone to check their privilege? Are you convinced that you're on the "right side of history"? Do you feel "oppressed" even though you've never worked an honest day in your life and still receive handouts from your parents and the government? Do you feel that "social justice" can be objectively defined and ultimately achieved? Do you think straight white males are the primary source of all human suffering throughout global history? If so...YOU'RE THE FUCKING PROBLEM, YOU UPTIGHT, CENSORIOUS, SELF-RIGHTEOUS ASSHOLE! AND YOU ARE RUINING THE WORLD WITH YOUR PSYCHOTIC WITCH-HUNTING, ENDLESS PROTESTING AND BOYCOTTING, AND MOST OF ALL YOUR ABSOLUTELY SMACKABLE LACK OF HUMOR! YOU MAKE THE SALEM WITCH TRIALS AND THE McCARTHY ERA LOOK LIKE A NICE WARM BUBBLE BATH BY COMPARISON! In The New Church Ladies, beloved author Jim Goad uses weaponized words, violent rhetoric, debunked and discredited pseudoscience, and shocking, unforgivable hate speech to explain why the people who are always fighting "hate" are the most hateful jerkoffs on the planet...and why anyone who spends their life "shaming" others for not thinking like a perpetually miserable, microchip-implanted, ideologically clubfooted, progressive brainwashed zombie Social Justice Warrior should be ashamed of themselves.

Customer Reviews

Very interesting and also quite funny.

Good as expected.

Jim gets it right every time...he's funny too

I have not finished this book yet, but I have read most of these essays online over the years. Those included in this book are some of my all-time favorites. Jim Goad was "Alt-Right" (in his own sort of way) waaaaaay before it became somewhat safe - he was doing this in the '90s. Everybody really should read Redneck Manifesto - his message has always been consistent. He ought to be the very definition of "Red Pill".But anyway, I just wanted to be the first one to write a review. Very few writers can snark like Goad can. I'm a huge fan!

Jim Goad has finally articulated my utter disgust any frustration with the Bolsheviks of today's Progressive Left. His screed on San Fransisco was worth the price of the book alone. The one thing the scolds of of the Social Justice movement hate the most is laughter and mockery. So fill your glass with Liberal tears and enjoy a great read.

Well Jim,I had the pleasure of reading this delight and what a delight it was. I was going to come up with a witty, sardonic, sarcastic and slightly ironic review but honestly their is nothing I could come up with that comes close to what you have described in this book.Our society has taken a morbid turn and getting to the root of the infection is critical. You sum up well some of those issues and their causes.I will be passing this along to friends that need a kick. They are to nice to be angry but see what is happening around them.

If you are a modern day snowflake looking for a "safe-space" to protect you from all of life's traumatic experiences that keep getting piled on your shoulders, you probably won't like reading this book. One option for you is that you could probably earn a participation trophy if you simply purchased the book and then decided not to read it. If, however, you're a normal adult who enjoys some dry humor with an added splash of sarcasm followed by a dissertation of just how absurd political correctness is, you should thoroughly enjoy reading Goad's book.

Jim really calls out the new generation of "liberal left." If you are easily "triggered" this book is not for you. If you enjoy sardonic, sarcastic wit you will love it.
