Greyson Gray: Deadfall (The Greyson Gray Series) (Volume 3)

Synopsis

If he doesn't choose what's right, there may be nothing left. The adventure just got epic. With the Greyson Gray Series, you've come to expect "exciting, gritty action at its best" and "well-crafted storytelling." But in this "chilling" third installment, you can expect "ambiance, exotic sets, sinking ships, loyal dogs, and even a hurricane" as "talented writer" B. C. Tweedt "pulls out all the stops." If you thought the first two books were intense, funny, and thought-provoking, *Deadfall* will blow your mind. After an unbelievable attack leaves the nation reeling, the FBI forces Greyson and his friends into seclusion, where they must deal with the heart-wrenching memories of the attack while hiding from vicious enemies bent on revenge. But Greyson can't hide for long. A new hope spurs him on as he escapes and travels across the country, stopping at nothing to find his father. When his plans unravel, he must survive as a fugitive, hunted by terrorists in an increasingly hostile and divided country, aided only by the contents of his fanny pack, a stray dog, and his ceaseless daring spirit. Greyson's adventure explodes with an epic journey, frightening battles, and a soul-searching tale of survival that brings him face to face with a dangerous world that is not always what it seems. Greyson must fight harder than he has ever fought before to prevent another terrifying plot that no one sees coming - a *Deadfall*. Parents love this series for Greyson's interminable determination to do what is right and good - no matter the costs. In a world full of grays, they find his passion refreshing - and worth emulating. While *Deadfall* cranks the action dial, it is also "punctuated with deeper messages" and coming-of-age themes that parents will appreciate. Boys and girls, from ages 9-12 (preteen), to middle-grade, young adults and beyond will love Greyson's heroics, Jarryd's humorous antics, and the thrilling suspense as each new mystery brings the squad closer to the truth behind the chaos. If you or your child isn't hooked already, they will be after reading *Deadfall*! Get the whole series today!

Customer Reviews

From Readers' Favorite by Sarah Scheele: "...exciting, gritty action at its best!"...the writing is supple and thought provoking, with a well crafted storytelling..."The action is punctuated with deeper messages..."B.C. Tweedt is a talented writer at the top of his game."Ambiance, exotic sets, sinking ships, loyal dogs, and even a hurricane - Tweedt pulls out all the stops."A chilling read highly likely to please fans of Agents of S.H.I.E.L.D. or Tomorrowland."

Interview with the Author Q: Why should someone start the Greyson Gray Series? A: The series is just basic fun. In Camp Legend, you fall in love with the quirky characters, their witty humor, and their admirable leader who reminds many of Indiana Jones - with a signature look, daring confidence, and a knack for trouble. Then, just when you get to know the kids, a spark is set to their world, erupting in an epic, dangerous adventure that threatens civil war. Even as the later books take Greyson and his friends into more intense action and maturity, there is still the humor and endearing qualities that keep you rooting for them to the end. It's the perfect entertaining mixture that readers love! Q: Why should parents get this series for their kids? A: It's clean and features an admirable hero worth emulating. The hero, Greyson, has something inside of him that wants to do what is right and good, no matter the costs. This urge drives him in all of his adventures, even when it's difficult to know what is right and good. Also, his signature red hat has a white G on it that even he doesn't know what it stands for; but when enough people ask him, he decides that it stands for Good. He will fight for it even when he doesn't know everything and even though he's only twelve. The youngest generation needs this tenacity for truth and goodness more than ever. Finally, it has intense action -

but no gore. It has romance; but it's innocent and clean. It's also real - with real struggles and suffering. Greyson deals with a missing father, bullying, betrayal, girl-problems, and tough moral issues. At the same time, the series takes on many issues that are prominent in today's America including: tolerance, drone warfare, surveillance, bitter politics, and religion. These topics will be great to discuss around the dinner table or in the car.

Q: What age is appropriate for these books?

A: I would let a public-schooled fifth grader read these books. Other parents may choose sixth or seventh grade while others may approve of younger kids. There are characters who die in suspenseful, intense action. There is no gore and no physical affection beyond light kissing. There is potty humor and use of the words "sucks," "frick," and "heck" (Book 3). It's also a great, nostalgic read for adults!

Q: What makes this series different than the rest?

A: Foremost, the series is set apart from many young adult books today because it is pre-dystopian. Many YA books are dystopian - meaning the country has already fallen and it is up to the protagonist to defy those that brought it down. This theme often leads to an entirely serious, almost depressing feel to the book. On the other hand, some YA books are entirely light-hearted, and readers never doubt that their beloved characters will come out on top. The Greyson Gray Series takes the best of both worlds, with light-hearted, lovable characters trying to prevent the collapse of the country. They have one foot in their hilarious childhood antics and the other in the adult world of purpose and desperation. Besides that, the series has received loads of commendations for the biggest critics. But don't just take their word for it. Try it out yourself!

You can't help being drawn into Greyson's world. It's hard to find a place to stop. From a sports camp, book 1, to the state fair, book 2, and now across the country to the Bahamas! It's such fun to share in his determined struggles, regrets, reflections, hope and victory. He finds new friends (I loved the dog!), and his old friends to help in his search in a changed country. I won't spoil the end, but I don't know how he can top this book!

Very likeable hero, great adventure. Just not suitable for everyone. There is a level of violence that may make it a bit much for younger readers.

Excellent, non-stop book...and excellent series. My girls and I (high school, Jr high) could not put it down, and I look forward to introducing my 12 year old son to Greyson Gray!

They have ALL been great and I look forward to more and would love to see a full-length movie soon.

All right, fine. I'll buy it... BEST FLIPPING BOOK EVER!!! Buy it! Action, comedy, drama. All that stuff! Big surprise twist at the end!

ÃfÂ Ã ÅÃ â ^Ã Â•ÃfÂ Ã ÅÃ Â•Ã Â»

IT IS AMAZING READ IT NOW READ IT READ IT READ IT READ READ IT HAS A GREAT PLOT AMAZING!!!!

The relentless action continues in the 3rd book of this excellent series. As Greyson continues his search for his missing father the trail leads him to Nassau and a sinking cruise ship... This whole series is great for reluctant readers!
