Lonely Planet Iceland (Travel Guide)

Synopsis

#1 best-selling guide to Iceland * Lonely Planet Iceland is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Splash around in the Blue Lagoon's geothermal water, catch a glimpse of the celestial Northern Lights, or take a boat trip among the icebergs; all with your trusted travel companion. Get to the heart of Iceland and begin your journey now! Inside Lonely Planet's Iceland Travel Guide: Colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local, avoiding crowds and trouble spots Essential info at your fingertips - hours of operation, phone numbers, websites, transit tips, prices Honest reviews for all budgets - eating, sleeping, sight-seeing, going out, shopping, hidden gems that most guidebooks miss Cultural insights give you a richer, more rewarding travel experience - history, politics, landscapes, wildlife, literature, music, cinema, art, architecture, customs, cuisine. Free, convenient pull-out Reykjavik map (included in print version), plus over 37 maps Covers Reykjavik, the Westfjords, the Highlands, North Iceland, East Iceland, South Iceland, the Golden Circle, Southwest Iceland, the Eastfjords, Akureyri, Hunafloi and more The Perfect Choice: Lonely Planet Iceland, our most comprehensive guide to Iceland, is perfect for both exploring top sights and taking roads less travelled. Looking for a guide focused on Reykjavik? Check out Lonely Planet's Pocket Reykjavik, a handy-sized guide focused on the can't-miss sights for a quick trip. Looking for more extensive coverage? Check out Lonely Planet's Scandinavia guide for a comprehensive look at all the region has to offer. About Lonely Planet: Since 1973, Lonely Planet has become the world's leading travel media company with guidebooks to every destination, an award-winning website, mobile and digital travel products, and a dedicated traveller community. Lonely Planet covers must-see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves. *Best-selling guide to Iceland.

Best Sellers Rank: #2,433 in Books (See Top 100 in Books) #1 in [Books > Travel > Europe > Iceland](#) #8 in [Books > Travel > Europe > General](#)

Customer Reviews

If you are traveling to Iceland and want to explore on your own instead of taking tours this is a great book to take with you. It covers all regions of Iceland in depth although it does not always have them in a logical order as if you were doing them along the ring road in a circle. There are many travel tips along with meal and lodging suggestions. There are some photos of major attractions although it's not as colorful as their "Iceland's Ring Road Road Trips" book. We bought them both for our upcoming trip to Iceland and we're glad we did.

Was was my only asset for impromptu week stop in Iceland. It isn't organized the way I think. It took creative thinking to figure out a keywords for so many things I would have listed differently in the index. I suspect it was done to conserve space. This probably because I was trying to use it on the fly. When you are driving and want to identify a sign...you don't have time to cross reference pages and index and maps. I think it would be a great guide for pre-planning because the same organization that I'm objecting to which didn't work on the fly.

The newest publication on Iceland which is why I bought. Pretty good guide and organized nicely.

Always love Lonely Planet publications. If you are only visiting Reykjavik you should purchase the lonely Planet Pocket [Reykjavik](#) travel guide however, most visitors will want to know about the entire island. This book will be a helpful guide in terms of tours, transportation....

Lonely Planet Travel Guides are always great for us and this one on Iceland is too. Itinerary info seems really well planned and they go into a lot of detail.

All this information and even more can be found online. Pretty basic book

Very informative. I always go to Lonely Planet to plan trips have great tips on activities places of

interest and history

It was a bridal shower gift for a bride that is headed to Iceland for her honeymoon. She was really happy.
