Texas History For Kids: Lone Star Lives And Legends, With 21 Activities (For Kids Series)

Synopsis

The larger-than-life story of the Lone Star State — Encapsulating the 500-year saga of the one-of-a-kind state of Texas, this interactive book takes readers from the founding of the Spanish Missions and the victory at San Jacinto to the Great Storm that destroyed Galveston and the establishment of NASA's Mission Control in Houston while covering everything in between. Texas History for Kids includes 21 informative and fun activities to help readers better understand the state's culture, politics, and geography. Kids will recreate one of the six national flags that have flown over the state, make castings of local wildlife tracks, design a ranch branding iron, celebrate Juneteenth by reciting General Order Number 3, build a miniature Battle of Flowers float, and more. This valuable resource also includes a timeline of significant events, a list of historic sites to visit or explore online, and web resources for further study.

Grade Level: 4 and up

Customer Reviews

Gr 3 — Everything is bigger in Texas, and this book does its best to make the eventful happenings of the Lone Star state fun and accessible. Beginning before Texas was even a state, some 500 years ago with the Spanish missions, and continuing up to the 20th-century space age and oil boom, Gibson makes the material relatable and approachable, while teachers will

appreciate the activities. VERDICT While this book is no replacement for a textbook, it will become an invaluable tool for those teaching or learning about Texas history. — John Trischitti, Midland County Public Libraries, TX

"It will become an invaluable tool for those teaching or learning about Texas history. — School Library Journal

Struggled thru some sections with errors and some spelling issues as well as a lack of flow in some sections. Not a unbiased treatment of Texas history definitely colored by the authors leanings.

Works well with a unit study. Also has science projects.

Expected more.
