Amos & Boris

Synopsis

Amos the mouse and Boris the whale: a devoted pair of friends with nothing at all in common, except good hearts and a willingness to help their fellow mammal. They meet after Amos sets out to sail the sea and finds himself in extreme need of rescue. And there will come a day, long after Boris has gone back to a life at sea and Amos has gone back to life on dry land, when the tiny mouse must find a way to rescue the great whale. Amos & Boris is a 1971 New York Times Book Review Best Illustrated Book of the Year, Notable Children's Book of the Year, and Outstanding Book of the Year.

Customer Reviews

“There is no question that Steig's affectionately witty pictures and perfectly complementary narration make this a durable picture book friendship.” — Kirkus

“The book is funny and earnest, pellucid and profound.” — The New York Times Book Review

“A simple, matter-of-fact story about the friendship between a mouse and a whale. . . . Lovely watercolor pictures and a funny, well-written text which presents its plot coincidences in tongue-in-cheek manner fit together admirably in this faintly Aesopian tale.” — School Library Journal, Starred Review

William Steig (1907-2003) was a cartoonist, illustrator and author of award-winning books for children, including *Shrek!*, on which the DreamWorks movies are based. Steig was born in New York City. Every member of his family was involved in the arts, and so it was no surprise when he decided to become an artist. He attended City College and the National Academy of Design. In 1930, Steig's work began appearing in *The New Yorker*, where his drawings have been a popular fixture ever since. He published his first children's book, *Roland the Minstrel Pig*, in 1968. In 1970, Steig received the Caldecott Medal for *Sylvester and the Magic Pebble*. His books for children also include *Dominic; The Real Thief; The Amazing Bone*, a Caldecott Honor Book; *Amos & Boris*, a National Book Award finalist; and *Abel's Island* and *Doctor De Soto*, both Newbery Honor Books. Steig's books have also received the Christopher Award, the Irma Simonton Black Award, the William Allen White Children's Book Award, and the American Book Award. His European awards include the Premio di Letteratura per l'infanzia (Italy), the Silver Pencil Award (the Netherlands), and the Prix de la Fondation de France. On the basis of his entire body of work, Steig was selected as the 1982 U.S. candidate for the Hans Christian Andersen Medal for Illustration and subsequently as the 1988 U.S. candidate for Writing. Steig also published thirteen collections of drawings for adults, beginning with *About People* in 1939, and including *The Lonely Ones*, *Male/Female*, *The Agony in the Kindergarten*, and *Our Miserable Life*. He died in Boston at the age of 95.

One of the greatest children's books ever on Friendship!

My granddaughter loved this story. It's a classic.

Good story about friendship.

great friendship story

This is one of those great books that provides children a glimpse into a deeper understanding of friendship and sacrifice without being too preachy or pandering. It's a complex story simply told. The older more inquisitive child will ask more about the story and the meaning of some of the adventure, and others will enjoy the beautiful drawings and narrative. The book also doesn't shy away from vocabulary. If your children are fans of *Shrek*, they'll delight in knowing that this is by the same author. Simply brilliant.

This was our son's favorite bedtime book when he was four years old. He's over forty now but none of us have forgotten it. So when it came time to donate a book to our favorite non-profit that ships books to the rural Philippines, (ruralkids.org) this was at the top of the pile we sent. The story is charming and the illustrations are enchanting. Your and your little ones will love it.

I read this years ago and still love it. Any child would enjoy it and profit from it's unlikely friendship.

Great story, my son loves it. Very well written and beautiful illustrationsI want to check out more books by this author
