Customer Reviews

I most enjoyed his simple and clear way of writing. I read the bible everyday and sometimes wonder about things. The author left me with no questions. It was amazing how he did this. I read it all in one sitting and will read again and highly recommend it for anyone with questions or doubt.

It is a great read. Loved every moment of it and learned a lot. I recommend it to others who are interested in the end times. It has a lot of good information in it.

May he rest in peace. He passed away in the middle of last year but his legacy lives on in these books even in these digital format E books. A great read if you want to supplement your end times

studies. And he is doctrinally and theologically sound.

good

Found this book to be a stretch. I would not recommend it as a source to those looking for real answer.

Jesus Christ is Lord of Lords and King of Kings, The Son of GOD and our Only Salvation, If you Believe that he is the Son of GOD & he died for your sins, you will have ever lasting life and not Perish(you will spend eternity with Jesus in Heaven!!)
