The King's Ring (The Netherworld Gate Book 2)

Synopsis

Talon left a wide trail of blood in his wake as he hunted down the Tomni'Tai Scroll. Now, armed with a magical sword fashioned from one of the Ancients themselves, he is ready to pursue the next item on his list; The King's Ring. Once he attains it, he will have two of the three relics he needs to unleash an ancient army from the Netherworld Gate. Then he will turn his wrath to Basei, the demigod of battle. Yet, still there is hope. Jahre, the elf sage of Selemet Isle has opened the possibility for Talon to use his powers for the good of Terramyr. Will the heroes succeed in persuading Talon away from his course of destruction, or will they be forced to rise against him?

Customer Reviews

I really enjoyed reading The King's Ring. I accompanied Kai and Talon on their journeys ... Kai to hunt Talon to bring him for murder and Talon to hunt down artifacts to open the gateway to the Netherworld to unleash the black elves but hoping all that Talon turns against evil. The storyline was well written and descriptive that I could picture every scene in my mind while reading this book. The characters were interesting and well developed.

I'm really into this series! Definitely one of my favorite series! I highly recommend this book and the entire series to any lover of adventure fiction! Mr. Ferguson's other works are well worth looking into, as well.
