FOR ONE NIGHT (Harlequin Comics)

Synopsis

Diana, heavy-hearted on the night of her best friend's funeral, falls asleep in the wrong hotel room, only to wake up to a gray-eyed man looking at her with suspicion. Diana isn't the type to have a one-night-stand, but she couldn't stand to be alone that night. She was able to forget her despair through the rush she felt when enveloped by his passion. She doesn't regret the unexpected pregnancy that came from losing her virginity, either. But when she leaves London to start a new life in the countryside, Diana has a heartbreaking reunion with the gray-eyed man, Marcus, who turns out to be a big name in town.

Customer Reviews

I was expecting more from the book, but it's alright. Overall, it could have been better if the heroine just come forward and tell the hero the truth then lies to him.

not bad keeps your attention. something to romance about. Not bad to add to your collection of books. enjoy yourself

I loved I cry I was in aww will always love penny Jordan books my favorite author of. All time really full joy my book

Highly recommend this one. The heroine is a bit annoying at times, but the hero is just dreamy. I wish such men existed in real life. Good, kind and very forgiving.

Super love story. Sweet but hot. This is one of my new favorite authors I will try to read all her books but it dragged on a bit to a point of unbelievable narrative. Otherwise it was a good story line too.

I loved it thank you

love anything about romance
