Customer Reviews

Ginjer L. Clarke has written many books for Penguin Young Readers, including [Freak Out!](#) and [Watch Out!](#)

my grandson (age 7) loved this book! He read it to me three times the first weekend he got it. It is in the form of an early reader chapter book (4 chapters)Some challenging words (phantom, camouflage, chameleon)for him (he is a first grader)but expected in a level 3 book.

Photos are very colorful and each creature is briefly discussed without going into too many details. Great for a 2nd-4th grader, though even I enjoyed the pictures and information. This was purchased for a 3rd grade classroom library and I've no doubt will be a hit. The book is well made so should

hold up to all the use I expect it to receive.

My grandson is 6 years old and loves to read these book. He loves animals and will read these books over and over. It is a great book to get younger readers reading.

I am a second grade teacher, and I read this book to my students. We loved it! It contains fascinating facts and it is beautifully illustrated.
