The Meanings Of Dress

Synopsis

This collection of articles and essays from magazines, newspapers, books, and academic journals is designed to expand the reader's awareness and understanding of the role dress plays in cultures and subcultures across the globe. The text, which represents the very best thinking and writing on the subject today, explores essential topics such as dress and sociology, cultural studies, gender, religion, modesty, and technological changes. *The Meanings of Dress, 3rd Edition* is newly revised to reflect the current cultural landscape and includes more theory than previous editions, as well as an increased emphasis on the male perspective. The book provides design and merchandising students with insight into how - and why - consumers buy clothing and other products related to dress, and helps them to hone their trend forecasting skills. Instructors, contact your Sales Representative for access to Instructor's Materials.

ISBN-13: 978-1609012786

Product Dimensions: 8.2 x 1.4 x 0.4 inches

Shipping Weight: 3.4 pounds (View shipping rates and policies)

Average Customer Review: 3.0 out of 5 stars 19 customer reviews

Best Sellers Rank: #38,691 in Books (See Top 100 in Books) #20 in [Books > Business & Money > Industries > Fashion & Textile](#) #27 in [Books > Arts & Photography > Decorative Arts & Design > Textile & Costume](#) #45 in [Books > Arts & Photography > Graphic Design > Commercial > Fashion Design](#)

Customer Reviews

The variety and diversity of topics covered is incredibly invaluable and presents complex concepts in an accessible manner. The organization of the text book, the clear structure of the chapters, and useful features (ex. 'after this chapter you will understand') makes this an excellent text for students to use independently. Spencer Potter, St Mary's College of Maryland, USA

This collection of articles and essays from magazines, newspapers, books, and academic journals is designed to expand the reader's awareness and understanding of the role dress plays in cultures

and subcultures across the globe. The text, which represents the very best thinking and writing on the subject today, explores essential topics such as dress and sociology, cultural studies, gender, religion, modesty, and technological changes. The Meanings of Dress, 3rd Edition is newly revised to reflect the current cultural landscape and includes more theory than previous editions, as well as an increased emphasis on the male perspective. The book provides design and merchandising students with insight into how - and why - consumers buy clothing and other products related to dress, and helps them to hone their trend forecasting skills.

This rating is not based off of the content of the book but the quality of how it was made. Every student in the class including the instructor had the same issue. The inseam came apart so the pages became loose and fell out. Do not recommend this as a rental and for almost \$100 expect much more. Extremely disappointed in the quality!!

I bought this book for one of my college courses. So far is really good; very informative and up to date. It is easy to read and it goes to the point. I really like the fact that includes so many cases at the end of each chapter which makes the reading more enjoyable. I'm giving 4 stars instead of 5 because the images are in black and white. I expected full color images since I paid \$80.00 for it and because it is a book about dress.

I'm sure it's a fine book, but the binding is terrible and my copy came missing the first 44 pages, so it's not useful to me.

Do not even deserve a star! Ordered this book- and when I received it the first 6 chapters of the book are MISSING!

Currently at this moment I'm working on getting a refund on this book. The binding of this book is terrible and could cost you the full price of the book. Luckily since 's customer service can help remedy the problem since renters can inform about problems. But if you plan on buying the book don't expect it to last more than a week even if it's brand new. At college literally (and I mean actually literally no exaggeration) every student in my fashion class who had the book was falling apart by the second week of class, even the teacher's copy was falling apart. The material within the book is good stuff and can be an interesting read in of itself and the shipping was fast but the book itself tears apart so easily that you will be absolutely baffled. I'm not sure if you can get a digital

copy of the book but if you getting a physical copy expect it to fall apart or be prepared to return it very soon. If you are getting this book for reading pleasure I highly recommend that you find another book on a related topic and avoid the hassle of it's terrible binding. I'm not sure if there is a digital version of this book but if you can get it go for it because digital copies don't have binding problems.

Never had any problems with book rentals but this book fell apart on the first week and I still have to use it for the rest of the semester

The content is good but the physical book falls apart!

Was not in the best of shape, some of the pages are loose which makes reading very hard, since the pages keep falling out.
