The Resurgence Of Central Asia: Islam Or Nationalism?

Synopsis

A seminal introduction to the rise of Central Asia following the collapse of Tsarist Russia, this book has been out of print for two decades and is now more relevant than ever. The Resurgence of Central Asia is Ahmed Rashid's seminal study of the states that emerged in the aftermath of the breakup of the Soviet Union: Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, and Uzbekistan. All have Muslim majorities and ancient histories but are otherwise very different. Rashid's book, now with a new introduction by the author examining some of the crucial political developments since its first publication in 1994, provides an entrée to this little-known but geopolitically important region. Rashid gives a history of each country, including its incorporation into Tsarist Russia, to the present day, provides basic socioeconomic information, and explains the diverse political situations. He focuses primarily on the underlying issues confronting these societies: the legacy of Soviet rule, ethnic tensions, the position of women, the future of Islam, the question of nuclear proliferation, and the fundamental choices over economic strategy, political system, and external orientation that lie ahead.

Customer Reviews

"As an introduction to the history and culture of the region, Ahmed Rashid's is as good as you will find. The Times Literary Supplement "Ahmed Rashid is one of Pakistan's most gifted and astute political commentators. This account will be of interest to scholars and lay readers alike. What makes it especially valuable is that

Rashid's priorities are very different from those of most Western observers. Tariq Ali writes "Ahmed Rashid writes concisely, keeping up a rapid pace starting with the historical background of the region, looking in turn at its five republics—Uzbekistan, Kazakhstan, Turkmenistan, Kyrgyzstan and Tajikistan—and finally at their common interests and rivalries.... Rashid's book is eminently dispassionate and unideological. International Herald Tribune "The five republics are examined with a sharp eye for detail and an uncanny ability to focus on the internal feuds and rivalries of the newly independent states." Independent "The first readable, thorough account of the region." Financial Times "A well documented and readable book about societies of great complexity." Choice

Ahmed Rashid has been writing about Pakistan, Afghanistan, Central Asia, and the Middle East since 1979. He began his career at the Far Eastern Economic Review, where he was a correspondent for twenty-three years. Since then his work has appeared in the Financial Times, The New York Times, The New York Review of Books, El Mundo, and BBC Online, as well as in publications throughout Pakistan. His books, which have been translated into more than forty languages, include the best-selling Taliban: Militant Islam, Oil and Fundamentalism in Central Asia (2000); Jihad: The Rise of Militant Islam in Central Asia (2002); Descent into Chaos: The U.S. and the Disaster in Pakistan, Afghanistan, and Central Asia (2008); and most recently, Pakistan on the Brink: The Future of America, Pakistan, and Afghanistan (2012). A former member of the board of advisers for the International Committee of the Red Cross, Rashid has also been an informal adviser to governments and organizations (including the United Nations) whose aim is to bring peace to Afghanistan. He currently serves on the board of directors of the Committee to Protect Journalists, is an adviser to Human Rights Watch, and has been involved in the Lahore Literary Festival since its launch in 2012. In 2001 he used a portion of his book royalties to found the Open Media Fund of Afghanistan, which has assisted in the launch of a dozen newspapers and magazines in that country. Ahmed Rashid, is the best author I know when it comes to central Asian affairs and history. He was born in Lahore, Pakistan; and is a prize winning journalist, analyst, and author. Due to his work, he has a price on his head to this very day. This book here, is the very first book Mr Rashid has written. It goes over everything from history, to extremism, to everyday life inside the central Asian

countries. Great book for students of: International Studies/Relations.

Great book, font is a little small, but for a paperback edition, its good enough. Great price, delivered as promised by the seller.
