Round Peak Style Clawhammer Banjo

Synopsis

This book presents more than 70 tunes in the unique highly developed clawhammer style known as "Round Peak" - named after the Blue Ridge Mountain, North Carolina community where it originated. While not intended for the absolute beginner, this book will benefit players at various experience levels. Tunes in the book are organized according to the specific banjo tuning used, with A and D tunings most prominent. Much of the book's commentary and the included audio recording is directed towards the fretless variant of the 5-string banjo but as these tunes are written in standard 5-string banjo tablature, they can most definitely be played on the more common fretted instrument. Includes tune lyrics and extensive historical and biographical notes plus technical tips and a discography. Written in 5-string banjo tablature only. Audio download available online.

Book Information

Paperback: 102 pages

Publisher: Mel Bay Publications, Inc. (July 13, 2015)

Customer Reviews

So many tunes / so little time! If you are into old-time clawhammer banjo - and want to learn Round Peak style the right way (ie: Tommy Jarrell) - this is THE book and MP3 collection for you. Highly recommend!

Great book for learning round peak style, lots of cool history too

Brad is a precision teacher. Follow the lessons specifically, and you'll improve your playing.
