Customer Reviews

It was not a lot of wording but the pics were very very descriptive..I wish it had more detail though

Other quality stimulating erotica out there as a whole not too offensive or degrading: Fireside Orgies, Naughty Escapades, Visions of Giovanna, Casotto, Omaha Collection 1, Felines, Great Moves, Stray Moonbeams, Attractive Forces, Erotic Comics 2, Just Bloomed, Pirate Queens Booty, College of Erotic Sciences, Three of a Kind, MagaryA, Evy, Little Ego Devil's Whisper, Barbarian Chicks and Demons etc.-Note: Although some of these titles sound depraved, they as a whole they aren't nearly so bad as the titles may convey... or like me you can just cut or tear out the offensive parts as much of it very well done (Why is there so much talent yet so little sensitivity, respect, empathy and

humanity out towards one another,,,especially women, portrayed sexually) ???.

Not for the timid. Has graphic depictions of sex but not too risquÃfÂ©. Shows oral sex and penetration but nothing an adult who likes erotic stories can't handle.

good story

Very well illustrated. Left me wanting to see where the story leads next. Hope there is more on the way.

Great book to read to your kidys. They will learn about mommy and daddy and how they meet and fell in love.

Thank you.
