Hi Minecraft fans wondering of Herobrine! This book is good! I finally get the Steve is a evil King dude, Herobrine is a humble explorer thing! Totally different Steve if I am not mistaken! Because since when does Steve have a beard? Anyway, I've read Diary of an Angry Alex, and this book pretty much loves up to it! I recommend it if you are willing to see what would happen if Herobrine was the good guy! And, since when is Herobrine married? Though I like how Mikasa has glowy whitey eyes!-Unikitty159

This book was awesome! I knew her parents wouldn't be bad like people say they are. Very well written! I wish this was a series though. Do a book about ENTITY 303 please! Personally my favorite character is Hiroko. I love all of your books but please make another series of books!

I think that hiroko should have the power of flight instead so she and Tom could have gotten out of many situations.

Very very good Steve is kinda a jerk in this book so if you like Steve don't get it
