My child needed a poem for a class speech and we found this book. The fourth grade class loved it and we enjoyed reading the poems. Had to buy the book for all my "lunch lady" friends.

Recommend this book for any teacher or home school parent to help with poetry or speech related programs. Easy read and easy to remember. Tiffany C.

Arrived quickly. Cute book!

You can't go wrong with Kenn Nesbitt!

My 9 year old daughter enjoyed this book so much she read it in it's entirety the first day we received it! She still picks it up & reads different poems to us. Very funny book for kids.

This book is for anyone who works in an elementary school

My students think it is great!

I am an elementary teacher and I love it!

Easy, funny, sassy poems that get kids started with rhyming and rhythm. Good for laughing and learning.. The grandchildren were engaged.
