# Seventy-Eight (78) Duets For Flute And Clarinet Vol2 56-78 Advanced

## Synopsis

(Ensemble Collection). A wonderful compilation of duets from Rubank, the two volumes presented here supplement musical development and provide a rich experience for growing musicians. Duet playing is often a student's first form of ensemble experience - technique, tone quality, intonation and balance are introduced as students do one of the things they enjoy most - making music with a friend. And duet playing leads easily and naturally to competent performance in larger ensembles. (Vol. 1 Easy to Medium, Vol. 2 Advanced)

## Customer Reviews

Keys are consistent with Rubank Advanced Vol II for both flute and clarinet. A good supplement to the primary study of these more challenging keys. Vol I of "Seventy-Eight Duets" includes keys consistent with Vol I of the Rubank Advanced Method books. All books mentioned are fantastic for the developing flutist and clarinetist. I'm lucky in that I have 1 child playing each instrument, making the duets volumes a wonderful diversion from the daily drills. Highly recommended.

These are good arrangements for middle and high school students.

Easy, but not too easy. Nice collection of duets.

The duets are on an advanced level and sound lovely with flute and clarinet. The flute and clarinet

share melody lines and they are fun to work on.

advanced but not unlearnable...especially when practiced...

The pieces are of gradually increasing complexity and are a good blend for both instruments. They are pretty high for the flute, though.

This is a really excellent addition to my music bookshelf. The pieces in the book are beautiful and challenging to play. Now I can play clarinet duets with either a flute or oboe as the second player.
