# Luther's Jews: A Journey Into Anti-Semitism

## Synopsis

If there was one person who could be said to light the touch-paper for the epochal transformation of European religion and culture that we now call the Reformation, it was Martin Luther. And Luther and his followers were to play a central role in the Protestant world that was to emerge from the Reformation process, both in Germany and the wider world. In all senses of the term, this religious pioneer was a huge figure in European history. Yet there is also the very uncomfortable but at the same time undeniable fact that he was an anti-semite. Written by one of the world's leading authorities on the Reformation, this is the vexed and sometimes shocking story of Martin Luther's increasingly vitriolic attitude towards the Jews over the course of his lifetime, set against the backdrop of a world in religious turmoil. A final chapter then reflects on the extent to which the legacy of Luther's anti-semitism was to taint the Lutheran church over the following centuries. Scheduled for publication on the five hundredth anniversary of the Reformation's birth, in light of the subsequent course of German history it is a tale both sobering and ominous in equal measure.

## Book Information

Hardcover: 240 pages

Publisher: Oxford University Press; 1 edition (March 12, 2017)

Language: English

ISBN-10: 0198738544

ISBN-13: 978-0198738541

Product Dimensions: 8.6 x 1 x 5.6 inches

Shipping Weight: 6.4 ounces (View shipping rates and policies)

## Customer Reviews

An immaculately scrupulous and compelling study \* Edward Pearce, Tribune \* Excellent \* Peter Marshall, Tablet \* Scrupulously fair, crisply translated and surprisingly relevant. \* Tom Moriarty, The Irish Times \* As this short, scholarly, and brilliantly-illuminating study shows, the line between anti-Judaism and anti-Semitism is both blurry and easily breached... No one is better able to make sense of Luthers views than Kaufmann, who has been working on the subject for the best part of 40

years. With a complete mastery of Luthers writings and the context in which he wrote, he uncovers the particular prompts that led Luther to sound so contradictory, while he also reveals the continuities in his thought. \* William Whyte, Church Times \*

Thomas Kaufmann is Professor of Church History at University of Gottingen.
