Customer Reviews

Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 300,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for these high-quality, light-hearted books and feature over 40 such titles in a continually-expanding line.

Got this as a Christmas present for my niece who loves horses. Seemed to be a big hit. I almost bought, "What horses teach us." Good thing I put on my glasses before placing the order.

This is the third year that I've purchased this desk calendar with the tear off daily pages. I have it on my desk at work and I receive compliments frequently from customers. The pictures are beautiful and I love the quotes. I will continue to purchase this for years and years to come! This makes a fun

and affordable Christmas gift for all my barn friends.

Nice calendar but not enough room to write appointments and other notations. I like the quotes.

I keep this calendar in my office. I really like the photos and the little sayings that come with each picture---sometimes they're funny, sometimes they're wise.

A delightful addition to my 12 year old's desk, at a great price.

Gorgeous pictures ~ wonderful way to geet each day

Fourth year of purchase and not the last....

A gift
