# Rafa's Way: The Resurrection Of Newcastle United

## Synopsis

The noise grew. Everywhere you looked Newcastle fans were on their feet, United, at last, in song. St James's Park was rocking, a noise that carried down from the cathedral at the top of the hill, down through the city. It felt like a celebration. It wasn't. Newcastle were facing Tottenham Hotspur on the last day of the 2015/16 Premier League season and had already been relegated. The fervent atmosphere was instead a final call of support for the manager, Rafa Benitez. It was only his tenth game in charge and not enough time for him to steer Newcastle clear of relegation and yet the St James's Park crowd were imploring him to stay. The Spaniard had fallen into the hearts of the people of Tyneside. Spurs were second in the league before kick-off and were beaten 5-1. A club was stirring back to life. The job at hand though, was huge: galvanise and resurrect a club and its football obsessed city. He had to strip away years of neglect, breathe life into flawed structures, clear dressing rooms, rebuild belief, attempt to give the people of Newcastle their pride back. Rafa's Way tells the story of the remarkable Championship campaign that followed, the turnaround in the fortunes of Newcastle United and the dramatic promotion. It charts Benitez's overhaul of everything within a troubled club, his impact on its city, and how he immersed himself in a community that persuaded him to stay, and could not bear to see him leave. Rafa's Way talks in-depth to Benitez, about his beliefs and the challenge he faced, to the players, the key men in black and white stripes who made Newcastle United champions, and delves into the very heart of a football club as it emerged from the ashes.

## Book Information

Hardcover: 288 pages

Publisher: DeCoubertin Books (June 5, 2017)

Language: English

ISBN-10: 1909245666

ISBN-13: 978-1909245662

Product Dimensions: 6 x 1 x 9.2 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)
