Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

It is not really what I thought it was going to be. It was delivered quickly.

It's really difficult to find decent music for tuba solo. However, this publisher has some really great ones. Although I do kind of prefer the "Movie Favorites" book, with stuff like 'Jurassic Park', 'E.T.', 'Forrest Gump', and 'Indiana Jones', this book has 'Pirates of the Caribbean', 'Mission: Impossible', and 'Zorro', which I really love. In fact, after going through "Movie Favorites", I felt that those 3 were

missing (those and 'Ghostbusters' and 'James Bond', but those aren't in any of the "Essential Elements" books). Anyway, if you play tuba, I recommend that you buy this book, as well as "Movie Favorites" and maybe "Broadway Favorites".
