VW Camper Inspirational Interiors: Bespoke And Custom Interior Designs

Synopsis

One of the main attractions of the VW Bus, apart from its iconic looks and rugged reliability, is the way owners take the bus to heart and into their family, and set about personalizing them through both exterior and interior design and styling. Designing and building [or commissioning] an interior that will service your own needs is a daunting yet exciting task, and within these pages you will find many different sorts of interior to admire and inspire. Some have been built on a budget from scratch by the owner, some have been adapted and revamped, others are bespoke one-offs, built to the owner's designs. Whatever your taste in camper design, there will be something to amaze and inspire in the pages of VW Camper Inspirational Interiors.

David Eccles has been around VW campers since he and his wife, Cee, journeyed to India and back in 1976, travelling and living in a 1967 Canterbury Pitt. They have owned their current VW Camper, a 1966 walk-through Devon Caravette since 1978. After twenty years of family holidays, the camper is fully restored and is used for travelling to VW shows and events. David is well known for his passion for the VW Bus and is currently the editor of Volkswagen Camper and Commercial magazine. He is a resident of Leicestershire, England.

Item as described, Thanks

For anyone thinking about restoring or creating a new interior in a VW Bus, this book is a wonderful

resource (full of wonderful photos!). It's also a perfect addition to any Bus owner's library!

Bought the book for a little inspiration on my camper project, I got some cool ideas that I wouldn't have thought of on my own. Not a technical book by any means, it is much more suited for a coffee table than the garage. A lot of the featured vehicles were older buses. There weren't as many vans as I had hoped.

Cool book, only disappointed that the paper covering it was ripped on the edges so I had to put tape on it. It's a gift so it looks strange taped up.

Great ideas for upgrading your VW van interior! Beautiful pictures...would highly recommend this book. Hopefully my van will make it into the next book!!!

Super documentary of Type II interiors.

lots of ideas

Like the title says, it's a very inspirational book about VW bus interiors and how they can be customized. Shows all kinds of cool interiors.
