Synopsis

The Australian dollar has recently plunged in value against the U.S. dollar making Australia far more accessible than its been in years. To keep up with all the changes the new currency situation has brought about, we've turned once again to Lee Mylne. She has traveled to every state and territory of Australia by every means of transport, and she is a life member and past president of the Australian Society of Travel Writers. The book is updated yearly, concisely written (so it's light to carry) and printed in large, easy-to-read font. It contains: -A 16-page guide to the destination, with vibrant photographs -Exact pricing, so there's never any guessing -Sample itineraries-Opinionated reviews of the country's many attractions, hotels, restaurants, nightlife venues and shops from an author who has visited them all, and thus has the expertise to compare and call out only those that are worth your time. Lee Mylne has been a journalist all of her working life, specializing in travel writing for over two decades. Lee has traveled to every corner of Australia and is still enthralled by what she sees. She has written several Frommer's guidebooks and appears regularly in a wide range of Australian consumer and trade publications. She is past President of the Australian Society of Travel Writers. Lee resides in Brisbane, Australia.

So, it's great for ideas but I wouldn't agree with some of the food or lodging choices they suggest in the books. Example one restaurant suggested for Cairns was 45 minute drive outside of the city, in another city altogether. But if you're looking for suggestions or a start to planning it's perfectly ok.

Purchased as a gift, the recipients love the book and look forward to using it.

Not enough detail. I used it as a rough guide, then got to the detail with Google and web searching
informative

I gave this book as a gift to a friend travelling to Australia. She seemed delighted with it. I liked the format.

Informative and easy to read book.

As good as always!

This book should be titled "Eastern Australia". There is quite a bit of information on Cairns, Brisbane, Melbourne and Sydney, but there is no information on Western Australia, or central Australia (except for a few pages on Alice Springs and Uluru).
