Communication Progressive Du Français (French Edition)

Synopsis

Ces deux CD audio collectives accompagnent la Communication Progressive du Français, niveau intermédiaire. Ils permettent à l'étudiant de travailler aussi bien la compréhension orale que les relations entre la prononciation et l'orthographe. Le ton choisi est le plus naturel possible afin que ces dialogues constituent une véritable "photographie sonore" de la réalité de la communication d'aujourd'hui.

I like the service and the timing. The book is really useful for beginners like me. I advise beginners to buy it.

The edition I received was out of date and I have requested from you a full refund as my instructor is obtaining a current edition for me as a replacement,
