Alkaline Drinks: Original Alkaline Smoothies, Juices And Teas- Rebalance Your PH In 7 Days Or Less (Alkaline Diet, Alkaline Recipes, Alkaline Smoothies, Plant Based Book 5)

ALKALINE DRINKS

Synopsis

Amazingly Delicious Alkaline Drinks and Tips for Total Body&Mind Transformation
Detoxify Your Body, Increase Your Energy Levels and (if desired) Lose Weight Naturally
Discover 100% NATURAL ALKALINE ENERGIZERS! (45 recipes + bonus content included)
Sick and tired of dieting? Looking for something simple that actually works?
Good news: Unlike other diets that are obsessed about counting calories, the Alkaline Diet focuses on restoring the body and mind balance so that your body can heal itself naturally. Personally, I find it pretty stressful to keep up with counting calories, and with the alkaline diet, doing so is completely unnecessary! Few people realize that REAL ENERGY is waiting for us, hidden in alkaline veggies, fruits and herbs. These may be used to create amazing and energizing alkaline drinks - smoothies, juices and herbal infusions - that are caffeine-free and rich in nutrients that our bodies so desperately need.
100% NATURAL ALKALINE ENERGIZERS ARE WAITING FOR YOU!
You can finally:
• Rejuvenate your body and mind with 100% natural alkaline smoothies.
• Help your body maintain its optimal pH and heal itself through nutrient rich, dairy-free, sugar-free alkaline-forming drinks
HERE IS PREVIEW OF WHAT YOU ARE JUST ABOUT TO LEARN:
• The Alkaline Diet- the Common Sense Approach (not pseudoscience)
• The Motivational Factor: How to take action right now and start enjoying better quality of life tomorrow- or even today!
• Tips to including alkaline drinks in your daily routine and making them a part of your lifestyle;
• A SOS Shopping List (for those really pressed for time and need to rebalance yourself);
• The "20/80" Rule - keeping a healthy alkaline balance;
• Stop the excuses "I thought it was healthy" by learning which fruits are acid forming and should be reduced for optimal health results;
• How to adjust the Alkaline Diet according to your own lifestyle - everyone is different and their diet should be too; and
• The BEST part - the best alkaline drink recipes for you to try and enjoy for visible results - your lifestyle can inspire other people!
Do you bounce out of bed in the mornings, or do you continue pressing the snooze button for just a few more moments of sleep? Are you able to get through the day without feeling fatigued? Do you suffer from any ailments? Disease? Can you lose weight even though you count calories and follow the latest "dieting" fad? Here's the good news: you don't have to continue suffering. But you have to make the right choice now. The solution is just in front of you. That is what this book is all about. Alkaline smoothies are a great, holistic tool to help you alkalize your body to achieve your health goals so you can be the person you want to be. They are a great way to add more healthy, alkaline foods into your diet that will help you eradicate:

Illness Disease Excess Weight Perhaps you suffer from fatigue, aches and pains, and stiffness, or perhaps you would like to lose weight. You've been to doctors and taken medication, but for the life of you, you just can't understand what's making you feel worse than you should be feeling. You have been told to get used to it. Swallow another pill. If that's the case, you have the power to change it. How would other areas of your life (work, social, family) improve if you could just have more energy and finally create the body you want? Within the pages of this book, you will learn all of the steps you need to take to guarantee you start tomorrow in BETTER shape than you are right now. Take positive action and transform your body and mind with Alkalinity. Want to find out more? I hope to "see you" inside my book. Scroll up the page and click on the buy button!

Customer Reviews

This book is a great introduction to alkaline drinks! It really appeared to me at the right time! I am

usually not an alcohol drinker, and I was invited by a friend to have some glasses of wine. I felt extremely intoxicated afterwards with lots of acid burn, and was desperate to eliminate all the toxins away fast! So I grabbed this book and picked a juice recipe, which I ate as a cold soup. The following hours, I felt much better, and all the acid burn was gone! I also learned many new things in this book concerning alkaline and acidic food, which I never used to pay attention to in the past. I am really looking forward to discover more books from Marta Tuchowska, and live the Alkaline life! The author really writes in a very nice, warm, and friendly way!

Marta always delivers high quality wellbeing books. And she does this again!we are generally not conscious about the problems of acidity, and its real causes. This book teaches you how to choose more alkaline food, and how to combine both, alkaline and acidic food without harm. What surprised me the most in this book was to learn that there are some foods and drinks, which are usually considered to be healthy and healing, where in fact extremely acidic.....and might cause us more harm than good. I have been suffering from acidity, and this book made me realise the cause of my problem, and how to prevent acidity from occurring. I really like the fact that Marta is not imposing, and that there is total freedom to choose. You can still consume your favourite acidic foods and drinks with moderation. Last but not least, there are delicious juices, teas and smoothies recipes that will help you detox and have more energy! Grab this latest super detailed book now!

This book is laid out beautifully, however there should be a disclosure that almost all of the smoothies and juices include coconut. I am allergic and since the sample book didn't include one recipe, I was unaware that everything would have coconut as an ingredient. I am very disappointed. So if coconut is something you love to drink in all of your drinks you should get this book.

An interesting book that has some great recipe ideas. I think it could do with a good edit however, especially looking at ingredient amounts - 1 cup of coconut cream in one drink seems a bit much, and made my liver do handstands at the idea! Also, you'll need to be rather rich to afford the big quantities of ingredients in a drink. But all that aside, I'm prepared to do it if I'm going to look like the image on the cover.

Having read a few books from the author. I knew that this would be another great work of art. The amount of knowledge inside this book is very valuable. I had heard about the Alkaline drinks but never actually followed through for a part of my daily diet. My favorite sections were:-The

20/80 Rule - keeping a healthy alkaline balance;-Stop the excuses
"I thought it was healthy"
How to adjust the Alkaline Diet according to your own lifestyle
Worth the purchase. I highly endorse this book.

I like the recipes in the alkaline drinks book. It's easier to make the drinks than cooking. I put the drinks in bottles and place them in the refrigerator to be drunk later.

Love it

There's so much amazing info in this book!!! I can't wait to try some delicious alkaline drinks! They sound super delicious!
