Public Administration & Public Affairs

Synopsis

Updated in its 12th edition, *Public Administration and Public Affairs* shows readers how to govern efficiently, effectively, and responsibly in an age of political corruption and crises in public finance. With a continuing and corroding crisis occurring, as well as greater governance by nonprofit organizations and private contractors, it is vital that readers are given the skills and tools to lead in such an environment. Using easy-to-understand metaphors and an accessible writing style, *Public Administration and Public Affairs* shows its readers how to govern better, preparing them for a career in public administration.

Customer Reviews

Nicholas Henry is Professor at Georgia Southern University, USA.

OMG! SERIOUSLY! If you are taking a class that requires this book DROP THE CLASS. I AM NOT KIDDING. In all my years in University classes, this was the worst book I have EVER been subjected to. Trust me. I wish I had trusted the other reviews.

great condition

Great book!

This book was purchased for a senior course. It is just all quotes and hard to follow. After each chapter, it has 7-10 pages of references .

This book was terrible. I purchased it as a required text for a graduate class and found it nearly impossible to get through it. Every line was a quote or a quote of a quote with little or no original information or explanation by the author. Every sentence referred to other citations. If you're going to write a text.....how about inserting your expertise!

Thank you.

It is a collection of quoted material. Badly written and very boring. Not college level. I would not recommend this book.

Had to return the book because I thought the class wont be using it. Got another one that was missing chapter 2. Had to borrow a friends book to get some work done.
