The Adventure Bible NIV and Adventure Bible for Early Readers NirV are complete Bibles from Zonderkidz, with numerous educational features and illustrations for children. Both books offer the

full text of the Bible (New International Version) along with teaching sidebars such as:

“Words to Treasure”, “Did You Know?”, “Life in Bible Times”, “People in Bible Times”, and “Live It!”. A Subject Index, Dictionary/Concordance, and Maps offer added useful tools. The Adventure Bible NIV is suggested for 9-12 year olds. Indented thumb tabs and a “How to Use This Bible” introduction will help young readers get started on their exploration of God’s word. The Adventure Bible for Early Readers NIV is the New International Reader’s Version with slight modifications in the reading level to accommodate the intended audience of 6-10 year olds. These handsome hardcover books are brightly illustrated with eye-catching drawings and graphics, and there are so many features to keep children engaged that either book is likely to be thoroughly perused and revisited. However, the pages are quite thin and will require careful handling by eager fingers. As with any full Bible, in the context of Scripture there is frank mention of drunkenness, nudity, and sex that parents may not expect to see in a children’s edition, particularly the NIV. “ I LOVE THIS BIBLE! This is the only bible I will purchase for my kiddos. My son has 2 (boys style), one at home and one at school. I’ve attached a quick video to show you all the beautiful details. The color and pictures keep their attention without making it a baby bible or taking away from the purpose of the bible. The bible is standard size, durable leather, and beautiful purple. The theme on the front of the bible isn’t baby, and can grow with my daughter.

I bought this for a going away present for our foster daughter who has a forever-family with an aunt and uncle. It was a great gift for a 7-year-old girl. She is just learning to read, and will be good as she improves her skills. The cover is nice, the pictures are good, the stories seem to be Biblical.

Maybe content is good, but it is too small print for early reader age group

This is a large heavy thick bible. I LOVE it. I almost (accidentally) ordered the backpack version, which is smaller. I wanted this big version, and this colorful bible will be excellent for learning.

This Bible is for older children, but the extra information contained is valuable for increased comprehension. The text is well written and the format makes passages or verses easy to find. Also the illustrations make it more engaging for the younger reader.

The only thing that was disappointing to me was that this did not match the one I got my son (the one with the blue turtle). They are the same translations, but not the same. :\$

Such a great Bible for youngsters!! They can understand it and it truly is an adventure!! Great pictures and thought provoking questions. Every child should have one of these.

It's a hefty carry but worth the effort for all the kid friendly and informative helps. 7 and 9 year old grandchildren love it.
